£1.00 per person

Everyone is welcome!

UKMT INTERMEDIATE MATHS CHALLENGE

On Thursday 186 students from Years 9, 10 & 11 took part in the UKMT Intermediate Maths Challenge, sitting an hour long paper which will pit them against maths students from across the country. We will update you on how they got on when we have the results, but a huge well done to all who took part for their efforts.

*“Do not judge me by my success, judge me by how many times I fell down and got back up again.” –
Nelson Mandela*

LOST PROPERTY

We are still holding a large number of items in Lost Property. Due to space constraints, we have no option but to dispose of some of the items. If you are missing anything, please check with our Reception team whether it's been handed in before Friday 15 February, as the older unclaimed items will be removed after this date.

WORD OF THE CYCLE

The next Word of the Cycle is **TENUOUS** - meaning weak, insubstantial, doubtful, or questionable.

Example: The student's excuse for not doing her homework was tenuous.

Please try to use this word in conversations at home, which will help to reinforce the discussions.

SPORTS NEWS

Year 7 girls' Football: The Year 7 girls football team played their National Cup 4th round match on Monday against our GEP counterparts George Abbot. After a close first half which ended 1-1, the girls really came into their own during the second half, scoring a phenomenal 5 goals which secured them a 6-1 victory.

This amazing result puts the girls into the 5th round, which means they are currently one of the best 32 teams in the entire country! Well done to everyone on the team.
