

Fullbrook

A Specialist Mathematics, Science &
Technology College with Academy Status

NEWSLETTER

Week Commencing: Monday 7 May 2018

F6 OPEN EVENING

Thursday 14 June 2018 sees our F6 Open Evening take place from 5:00-7:30pm.

For Year 10 students considering A-Levels as the next stage of their education, this informative event will provide a great view of what Fullbrook can offer in terms of Post GCSE learning.

Our dedicated F6 centre provides a college style learning environment, but with the added benefit of Fullbrook's existing pastoral & educational support.

Further details of how to book your place on the evening will be sent out before the half term break, but do put the date in your diary.

GCSE AND GCE EXAMINATIONS

Next week sees the start of A level and GCSE examinations. I would like to take this opportunity to wish all our students the very best of luck during this period. However they have all worked hard and prepared well and so will not need luck, I look forward to seeing them be better than they ever thought they could be.

DUKE OF EDINBURGH AWARD EXPEDITION

Over the bank holiday weekend, 92 students from Year 10 took part in the Duke of Edinburgh Bronze Award expedition. Conditions were extremely testing due to the scorching temperatures, but all who took part did extremely well, and had a great time. Well done to everyone involved.

MENTAL HEALTH AWARENESS WEEK

As we mentioned last week, 14-20 May is Mental Health Awareness Week. From Tuesday-Friday the focus of our assemblies for the week will be this subject, and will be delivered by Eikon. To support this, we have attached a leaflet from Eikon regarding some useful literature which will be distributed shortly around the subject of supporting young people with various aspects of mental health.

We will also be running a house competition to encourage students to create a poster/piece of art/poem/script on what mental health means to them. Full details will be circulated during the assemblies, and the deadline for submissions will be Friday 8 June (the week after half term).

In the present climate, where adolescent mental health is at the forefront for parents/carers and educators, it is vital that we continue to be open on the subject, and encourage others to do so.

We hope that the focus next week will be of use to the entire Fullbrook community.

"I'm a greater believer in luck, and I find the harder I work the more I have of it" Thomas Jefferson

VISIT FROM PHILIP HAMMOND MP

Today we were visited by the Chancellor of the Exchequer, who toured Fullbrook with Mrs Moore. During his time with us, he was able to view the recently refurbished science lab, and our lecture theatre style classroom, along with other aspects of our school that enhance the learning of our students. It was a great opportunity for him to see our school in action, and for us to demonstrate where some of the true issues in education lie, along with highlighting the very visible positives of what we do.

YEARS 11, 13 AND 14 REPORTS

The most recent report for Years 11, 13 and 14 students are now available on INSIGHT. Don't forget you can now install the INGIHT App on your mobile phone, if you have not already done so. Please find instructions attached.

SPORTING SUCCESS

Athletics

We've had some outstanding results with athletics in the last couple of weeks.

Firstly, a huge well done to all our students who competed in the Year 10 & 11 Athletics Championship. They performed extremely well, with 8 Fullbrook competitors taking 1st – 3rd place in their events. Overall our Boys team took 3rd position out of the 9 teams participating.

There have also been some outstanding performances at the District Trials for our Year 8, 9, 10 & 11 athletes. The event saw 8 of our students securing 1st or 2nd place across their disciplines, along with a number beating their personal best in their events.

Congratulations to everyone who competed across these two competitions.

DATES FOR YOUR DIARY

Monday 14 May		GCSE Examinations commence
Friday 25 May		Year 13 Leavers Assembly
Thursday 14 June	5-7:30pm	F6 Open Evening
Tuesday 3 July	5:30-7:15pm	Year 11 Fullbrook 6 Curriculum Evening
