NOW!**

**£5 per person
(teams of 8 max)**

An evening of fun, trivia and prizes whilst raising funds for Fullbrook's Resilience Doughnut initiative.

See flier and booking form attached to the newsletter for further information.

RED NOSE DAY FOR COMIC RELIEF

Today our staff & students wore red and raised money for Comic Relief and our on-site charity Eikon. It was wonderful to see so many joining in for such a great cause. The money raised today will be split equally between the two organisations to help fund more great work with people who really need support in difficult times.

"Our greatest glory is not in never falling, but in rising every time we fall." Confucius

RHS GREEN PLAN IT CHALLENGE - UPDATE

You may remember us reporting in January that a group of 4 students from Fullbrook had been crowned joint winners for the South East RHS Green Plan It Challenge after designing a garden which represented overcoming a personal struggle. The competition was featured in the January edition of the Waitrose & Partners Weekend – a free newspaper given to their customers. Our winning team plan to build the garden at Fullbrook this year, and are now able to apply for funding of up to £2000 to help make this happen.

WORD OF THE CYCLE

The next 'Word of the Cycle' is **UBIQUITOUS**, meaning present, appearing, or found everywhere.

Example: Computers are becoming increasingly ubiquitous.

We will be making use of this word in lessons and tutor time over the next two weeks, and any opportunity to build it into conversations at home are greatly appreciated.

LANDROVER 4X4 CHALLENGE

A week ago, Fullbrook Falcons travelled to the British Motor Museum to take part in the Land Rover 4x4 National Final. To qualify for the event from such a highly competitive regional stage was an incredible achievement. Unfortunately the team did not bring home any trophies this year as the car suffered damage during the demanding physical test part of the competition. Although disappointed, the team handled things with a

maturity that was creditable, and we are incredibly proud of their demonstration of growth mindset regardless of the outcome.

RUNNYMEDE FOODBANK VOUCHERS

Fullbrook is now working with Runnymede Foodbank to help support families in crisis or who need food. There are now vouchers available via Fullbrook which we can issue to parents & guardians if the need arises. The person they were issued to could then take the voucher to their nearest foodbank and redeem it for three day of emergency food plus toiletries and household cleaning items. Should you need to make use of this service, please get in touch with the school.

SPORTS NEWS

Year 8 Boys Rugby: Last Thursday our year 8 Boys Rugby overcame a very well organised Woking High team, with a 35-10 win! Our team displayed a fantastic game of rugby with great teamwork and determination throughout, allowing them to come out with the winning result.

Year 8 Netball: Also last Thursday, the Year 8 Netball team played Bishop David Brown in a very blustery and rainy weather. Despite the wind and the rain the Fullbrook team beat the BDB side 19-1! The resilience shown was incredible, especially our goal scorers for their shooting in such difficult conditions.

Year 7 Girls Football: Last Friday the Year 7 Girls Football team played their National Cup 5th round match against Richmond Park Academy and won 3-1. It was a really close & well matched game throughout. We went 2-0 up initially, then conceded 30 seconds before half-time to make it 2-1. In the 2nd half Richmond came back strong and it was a really tense first 10 minutes. However, with our exceptional defence, grit and determination we scored again to secure the win. This puts the girls into the 6th round, which means they are currently one of the best 16 teams in the entire country.

Congratulations to all our sports team members on some brilliant

performances!
