No previous race experience is required as training will be available. We are looking initially for Year 7 pupils, who will be moving into Year 8 because we are piloting this with KS3 students. ## SPORTING SUCCESS

### Cricket

This week our Year 7 girl's cricket team played in a tri tournament against SJB and Surbiton High. Last time they played these two teams they narrowly beat SJB and lost to Surbiton High. This time however, they won both matches convincingly.

The girls have improved in their bowling, communication, running between wickets and fielding, and it really showed in these games.

What a wonderful result, and congratulations to all who took part.
