Dear Parent/Carer

School Uniform from September 2016

We have regularly reminded students throughout the year about the requirement to wear the correct uniform. Currently, too many girls are wearing skirts that are too short and too many boys are wearing non uniform style trousers. The school uniform regulations are available on the school website and are displayed in the Uniform Shop. If you would like a copy of these regulations please contact Fullbrook Reception and we will be happy to send you a copy.

When students return in September we will expect every student to have the correct uniform and those who are not correctly dressed will have to work in isolation until the problem can be rectified.

Our Uniform Shop has ordered ample stock of the correct uniform; however it might be wise to shop sooner rather than later in case you have to order specific items.

As ever, if providing correct uniform is a problem for financial or other reasons please contact me via concerns@fullbrook.surrey.sch.uk or in writing so we can help you solve the problem.

Yours faithfully
