A Specialist Mathematics, Science &  
Technology College with Academy Status

# NEWSLETTER

Week Commencing: Monday 5 March 2018

## QUIZ NIGHT REMINDER

There is just over a week to go until our Music Department Quiz Concert on Saturday 17 March at 6:30pm

As well as the quiz, you'll be treated to performances from our music ensembles: the Jazz Band, String Group, Concert Band, Orchestra and Ukulele Group.

The quiz will cover a number of topics, and be delivered by our wonderfully entertaining quiz master. There will be a bar offering wine, beer, soft drinks and snacks, and there will also be a raffle.

Tickets are available from Fullbrook reception, £4 per person, with teams up to 10 welcome.

**WE'D LOVE TO SEE YOU THERE!**

## **CURTAIN UP FOR LITTLE SHOP OF HORRORS**

Our spectacular production of Little Shop of Horrors is in full swing. With an impressive cast of 75 students, not to mention the supporting crew and staff, along with the fabulous Fullbrook musicians, they certainly raised the roof with Thursday's opening night performance.

A special matinee was held for the local primary schools, the feedback from the audience has been extremely positive.

Some tickets for Friday and Saturday's (7:00pm) performances are still available, and can be purchased on the door, so you've still got time to catch the show!

## **STUDENT SUCCESS**

Football Success:

Last week, our Year 9 Boys Football team beat Gordon's School in a hugely impressive 8-1 victory. This match was soon after our Year 8 Boys Football team defeated Gordon's, coming out 4-1 winners.

On Monday, our Year 7 Boys Football team overcame Gordon's 5-0 in a result which could have hit double figures had it not been for some outstanding goal keeping.

Tuesday evening saw another excellent victory for our Year 9 Boys Football team. Having twice been down a goal, the team showed admirable character and resilience to overcome a very physical Winston Churchill team with a full time score of 4-2.

Congratulations to all the teams for an excellent performance.

Land Rover 4X4:

On 22- 23 March, the Fullbrook Falcons Land Rover 4X4 team will be going to the national finals which are being held at the British Museum at Gaydon. The team are working hard to improve following feedback from the regional finals. We look forward to hearing of their success.

## F6 CURRICULUM EVENING – POSTPONED

Following the recent letter, regarding the Fullbrook 6 Curriculum Evening for our Year 11 students on March 27, it has been brought to our attention that this date clashes with the Duke of Edinburgh presentation evening. As this date is outside the school's control we have made the decision to re-arrange the Curriculum Evening so that students and parents do not miss out on either event.

Further details will be sent to you shortly.

## MATHS WIZARDS

A couple of weeks ago, we brought you news of students who had participated in the UK Mathematics Trust (UKMT) Intermediate Maths Challenge. Next week, the 7 pupils who made it through to the final stage, will undertake the next task. We hope to bring you more news soon on how they get on.

In the meantime, we'd like to wish the participants lots of luck.

## SPORT RELIEF 2018

Friday 16 March will be a mufti day in support of Sport Relief. A letter will be going out to all pupils on Monday 13 March with further information. Students are asked to dress in red on the day and contribute a £1. Please remind your son/daughter to bring their locker key and timetable.

## YEAR 11 AND 13 REPORTS

Reports for year 11 and 13 are now available these can be accessed on INSIGHT. If you have any technical queries please contact the network team. I would like to take this opportunity to remind you that the INSIGHT app is now also available for use on mobile devices. Please see information attached.
