

Student Mind-set Questionnaire

Name:.....

Tutor Group.....

Gender: Male/Female

	Strongly Agree	Agree	Disagree	Strongly Disagree
Your intelligence is something basic about you that you can't change very much				
You can always change things about the type of person you are				
Musical skills can be learnt by anyone				
Only a few people will be truly good at sports – you have to be “born with it”				
Maths is easier to learn if you're male				
Maths is easier to learn if you come from a culture which values maths highly				
The harder you work at something, the better you will be at it				
Trying new things is stressful for me				
People rarely change				
I appreciate it when parents, teachers and coaches give me feedback on my performance				
All humans without a brain injury or birth defect are capable of the same amount of learning				
You can learn new things but never really change how intelligent you are				
Human beings are born good or bad people, and they can't help their personality				
One of the best reasons to go to school is to learn new things				
Truly smart people don't need to try hard
