Data Privacy

Dear Parents and Carers

As parents and carers we respect the privacy of you and your child. We are committed to complying with the newly introduced privacy legislation: the General Data Protection Regulation (GDPR) and the Data Protection Act 2018. We would like to update you with the following information regarding the schools and Children's Centres within our multi-academy trust:

- We have made changes to our Privacy Policy to make sure it is easy to read, fair and transparent. You can read our updated Privacy Policy at <http://gepacademies.com/dataprivacy>.
- We have completed a significant amount of internal analysis, refreshed our policies, revised internal procedures and trained our organisation on the new data protection legislation.
- We have appointed an independent Data Protection Officer. Should you have any concerns, you can either contact our DPO on the link above, or raise any queries with your school office.
- We will continue to monitor our effectiveness, so we can ensure we keep our data safe and respect your privacy.

Yours sincerely
