

Fullbrook

A Specialist Mathematics, Science &
Technology College with Academy Status

NEWSLETTER

Week Commencing: Monday 26 March 2018

REMINDERS

SCHOOL UNIFORM

Please remember that when returning after the Easter break, students should be dressed in the summer uniform. This includes the Fullbrook polo shirt which is back in stock at the uniform shop (see additional opening hours below). All other correct items worn should be as per the uniform list on the Fullbrook website.

The Uniform Shop have kindly amended their opening hours to assist people needing to acquire additional uniform items during the holidays. They will be open on Saturday 31 March and Saturday 7 April from 9.30am-12.30pm.

ROAD SAFETY

In light of the recent bad weather and hazardous driving conditions, we'd like to remind all vehicle owners to take care and be courteous to other drivers and pedestrians when approaching the school.

As we draw to the end of the "spring" term I would like to take this opportunity to thank you for all your support and to congratulate students for their many achievements during the term. We will be working with Year 11 and 13 students during the holiday to support revision as they prepare for their public examinations which start even earlier this year. I wish you a safe and happy spring break and look forward to welcoming students back to Fullbrook on Monday 16 April.

LAND ROVER 4X4 IN SCHOOLS

On Thursday and Friday of last week, Fullbrook Falcons competed in the final of the Land Rover 4x4 in Schools Challenge. Unfortunately, we didn't bring any trophies home this year, but the team did compete extremely well in all areas. Considering this was a National event, they did brilliantly. After the first stage the car was damaged and had to be repaired within a 20 minute window which they managed to do showing great resilience and growth mindset. Well done to all who took part.

"Let us not be content to wait and see what will happen, but give us the determination to make the right things happen" Horace Mann

ATTENDANCE

This term has had its challenges with regard to attendance and we appreciate the effort that many students made to get into school during periods of adverse weather conditions. We worked very hard to keep the school open and lessons running throughout the term.

Students with 100% attendance routinely achieve more highly than students of the same ability level who have slightly lower attendance. It is therefore vital that everyone makes every effort to be in all lessons every day. We will be running assemblies during April to address the most common causes of absence and discussing the Public Health England guidance on illness. Students will be issued a leaflet to bring home with the key elements of this information.

ATLANTIC ALBATROSS

As many of you will be aware, Miss Gill from our Maths department will be taking part in the Talisker Whiskey Atlantic Challenge 2018 in December as part of a two woman crew hoping to complete a new World Record

DATES FOR YOUR DIARY

Monday 16 April

School Reopens for all students

Thursday 19 April

F6 UCAS Exhibition Visit

crossing for a female pair. This is a huge physical and mental challenge where participants row 3000 miles from the Canary Islands to the Caribbean. As part of her endeavours, Miss Gill is raising money for some very worthwhile causes including Eikon and the RAF Benevolent Fund.

A number of fundraising events will be happening over the next 9 months and we will let you know about them when we have more details.

During the actual rowing challenge, there will be the opportunity to track Miss Gill's progress, and keep up to date with how the crossing is going.

To find out more about Atlantic Albatross and everything they're doing, please visit the website www.atlanticalbatross.com for more information.

Additionally, if any of our Fullbrook community works for an organisation that might be interested in becoming a corporate sponsor for the equipment Miss Gill will be using to reach her destination, then please get in touch via the website link above.

LOST PROPERTY

We currently have a number of pairs of glasses and several keys in our Lost Property, along with quite a few trainers. If your son or daughter has misplaced any of these items, please ask them to check with us to see whether they may have been recovered.

STUDENT SUCCESS

Football:

On Monday, our Year 9 team defeated Saint John the Baptist School 5-1 to maintain their 100% win record in the District Cup. Finishing 1st in their league they have now booked a place in the District final, played at Woking Stadium next term. The boys are aiming to retain their District title, having already retained their 6-a-side trophy earlier this year.

Tuesday saw our Year 7 team beat Chertsey High 6-2 to maintain their unbeaten record in the District Cup. In the process, they finished 1st in their league and also have a place in the District final, played at Woking stadium next term. The boys will be chasing silverware in their first season at Fullbrook.

Well done to all those involved in this impressive sporting result.

Golf:

We're delighted to inform you that Guy Allen from Year 7 has been awarded a Foxhills Golf scholarship. Our congratulations go to Guy for this fantastic achievement.

Athletics:

Our Year 9 and 10 students once again assisted with the Year 7 District Sports Hall athletics on Wednesday. Thank you to those students who participated to ensure the event ran smoothly. Your contribution was extremely valued.
