GCE Priority Review of Marking

A review of marking is to ensure that the mark scheme has been applied correctly. If you are concerned about a university place, use the Priority Review of Marking service. The request must be made and paid for by the student as marks/grades can go down. Please email the Exam's Office in the first instance using the attached form - the student's signature is required – and hand in the fee. It is the student's responsibility to notify the university/college that this review is ongoing. Do not request a priority copy first as the priority review deadline may be missed. The outcome will go directly to the Exams Office within 15 calendar days of the awarding body's receipt of request. The Exams Office will notify the student directly. The fee will be refunded if the subject grade changes.

Priority Review of Marking Deadline: 22 August 2019	
	Fee per unit/component
AQA	£51.75
Pearson	£55.90
OCR	£59.80
WJEC	£49.50

GCE Review of Marking

A review of marking is to ensure that the mark scheme has been correctly applied to a written exam. It includes a clerical check and has a second examiner review the paper to identify genuine marking errors or unreasonable marking. The request must be initiated and paid for by the student as marks/grades can go down. The form including student's signature and correct fee are required. The outcome will go directly to the Exams Office within 20 calendar days of the awarding body's receipt of request. The Exams Office will notify the student directly. The fee will be refunded if the subject grade changes.

Access to Scripts

Students may order a photocopy of their marked exam paper. The fee and student's signature is required for the request to proceed. This service should not be used if a university place is at risk.

Students may also order their original scripts for revision purposes. The fee and student's signature is required. If the exam paper was marked electronically, it will be returned electronically. Other exam papers will be returned by post. Original scripts will not be returned until after the deadline for Post Result Reviews.
