FULLBROOK OPEN MORNINGS

This week saw the first of Fullbrook's open morning events and it was wonderful to have the support of our Year 9 Ambassadors, who provided prospective parents with guided tours of the school allowing them to see Fullbrook in action. We have two more Open Mornings taking place in October, which are detailed on the blue panel. Please feel free to share this information with anyone you may know who will be applying for September 2020 admission to secondary school.

MY FULLBROOK 6 EXPERIENCE

On Thursday 26 September students in years 10 and 11 and their parents/carers joined us in Fullbrook 6 for the 'My Fullbrook 6 Experience' evening. Everyone enjoyed the opportunity to find out more about life in Fullbrook 6. The student leadership team, Fullbrook 6 students and some ex Fullbrook 6 students were all on hand to answer questions and share their experiences of how Fullbrook 6 has benefitted them and supported their achievements.

Don't worry if you were not able to attend as further opportunities for students to find out about studying at Fullbrook 6 will be available as the year progresses.

THE TECHNOLOGY DEPARTMENT NEEDS YOUR HELP!

Fullbrook's Technology Department need ring pulls from drinks cans to be used as part of student projects, such as trophy making, on an ongoing basis. We would be grateful if Fullbrook families would collect ring pulls at home and send them in to school. A dedicated collection point can be found at the main school reception where ring pulls can be dropped off by students or parents. F6 students have their own collection point in the entrance of Fullbrook 6.

REMINDER - STUDENT ILLNESS NOTIFICATION PROCESS

As a reminder, students are not to call their parents/guardians to collect them when they are feeling unwell. They must report to Reception in the first instance to allow staff to assess whether they are actually fit to remain in school or if they need to be collected. Please ensure your son/daughter follows the correct process when feeling poorly to ensure we are able to monitor students and provide assistance as needed.

TRAIN TO TEACH EVENT

For anyone interested in a career in teaching, please see page 5 of the newsletter for details of an information event in Guildford on Saturday 5 October.

CYCLE PERMITS - UPDATE

Last week we held an assembly for students who hold a Fullbrook cycle permit. During this session, students were reminded of the rules of being allowed to use the permit which can be found on page 3 of the newsletter.

LES MIS'ERABLES - UPDATE

Rehearsals are now well underway, and there is already a great buzz around school about this production. Next week's rehearsal schedule is on page 4 of the newsletter and also on the website, so please ensure students know if they are required. If you have not yet returned the permission/student commitment slip, please do so to Miss Lawrence as soon as possible.
