## REMINDER

### DATA COLLECTION SHEET

In September we sent out data collection sheets for all students. There are still a number of data sheets yet to be returned.

Even if none of the data has changed, the form should still be returned to school confirming that everything is correct, so that our records are current.

If you've not already done so, please return the data sheets to school as soon as possible as it is a GDPR requirement to hold correct information such as emergency contact details.

Should you have any issues please contact the school.

Thank you in advance for your assistance with this matter.

## WELCOME BACK

We hope everyone had an enjoyable half term break. The weather has changed significantly in the last couple of weeks, and with the mornings getting colder, and afternoons getting darker, students must ensure they are safe & dressed appropriately for the conditions when travelling to and from school.

Students who cycle to school also need to be mindful of the road conditions, ensure they are visible in poor light, and cycle in a safe & sensible manner.

## YEAR 7 & 8 - RESILIENCE DOUGHNUT EVENING

Last year, our Parent Voice committee raised a phenomenal amount of money to help fund a personal resilience building program that Fullbrook is keen to implement, with the aim of supporting young people to cope with the inevitable transitions and adversities of life.

Our first information session hosted by the Parent Voice will be for parents/carers of current Year 7&8 students, on Wednesday 20 November at 6:30pm.

Letters are being sent home with further information, but you will need to book via the [Parents Evening](#) booking system to ensure your seat. Seats are limited to 1 per family due to hall capacity, and booking will open on the morning of Monday 11 November.

## DEEP LEARNING DAY 2

Our second Deep Learning Day is on Thursday 14 November. Students will come off timetable to participate in a range of lessons that support personal, social health and economic education. Among the activities planned, our Year 11 students will spend the day getting a taste of life in Fullbrook 6 while our Year 10 Textiles students will be visiting Kew Garden for research. Other activities include Money & Financial Risk, a Haka Workshop and a Dragon's Den style challenge.

## FULLBROOK 6 – SAFE DRIVE STAY ALIVE

As part of Deep Learning Day on Thursday 14 November, our Year 12 students from F6 will be attending the Safe Drive Stay Alive. For this event, you will need to notify Mrs South in F6 if you **don't** wish your son/daughter to participate.

## REMINDER - LINK TO HOPE SHOE BOX APPEAL

The final date for returning completed shoeboxes for our Link to Hope appeal is **Thursday 14 November**. If you haven't already done so, please ensure that they are dropped off by the deadline. For further details on packing your shoebox please click [here](#).

Leaflets containing instructions, a contents checklist for the box and the necessary Gift Aid form can be collected from Fullbrook reception. A £3 donation is needed to cover the cost of transporting the box to the recipient, and the Gift Aid form should be completed with Fullbrook's details rather than your own.
