**We seek to be a network of schools where every pupil receives the best possible education**

## **Sixth Form Admissions**

Fullbrook 6 welcomes internal students who have attended year 11.

Fullbrook 6 will also accept applications for entry to the Sixth Form from external applicants. The Published Admission Number for external applicants for entry to Year 12 in September 2020 will be 20, but more places may be available subject to the take up by internal applicants. Acceptance onto a programme of subjects/courses is subject to a student having achieved the entry requirements.

The following guidelines are indicative of minimum entry requirements for courses at different levels for all applicants, both internal and external, although these may be varied according to the specific requirements of certain subjects. Students should refer to the Fullbrook 6 website for the individual subject requirements. Exceptions may be made to the minimum requirements according to a student's individual circumstances.

### **Minimum Entry Requirements**

1. 3 A Level subjects (or equivalent) e.g. BTEC National Diploma (Level 3) – Minimum 5 GCSEs at grades 5-9
2. 4 A Level subjects (or equivalent) e.g. BTEC National Diploma (Level 3) or Level 3 Cambridge Technicals Extended Certificate – Minimum 5 GCSEs at grades 5-9

Should applications from suitably qualified external students exceed the number of places available, the following oversubscription criteria will apply:

#### **1. Looked After and Previously Looked After Children**

Looked after and previously looked after children will receive the top priority for a place. Looked after and previously looked after children are those who are registered as being in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a), e.g. fostered or living in a children's home, at the time an application for a school is made; and children who have previously been in the care of a local authority in accordance with Section 22 of the Children Act 1989(a) and who have left that care through adoption (in accordance with Section 46 of the Adoption and Children Act 2002), a child arrangement order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989).

Places will be allocated under this criterion when places are first offered at a school and the local authority may also ask schools to admit over their published admission number at other times under this criterion.

#### **2. Exceptional Circumstances**

Occasionally there will be a very small number of children for whom exceptional social or medical circumstances will apply which will warrant a placement at a particular school. There are two categories under exceptional circumstances:

- a) Children with a serious or life-threatening medical condition or disability, or children where there are sensitive and/or serious individual and/or family circumstances that make attendance at Fullbrook School essential, can be considered under the exceptional circumstances criteria. A case should be provided which demonstrates clearly why you feel it is essential for your child to

attend Fullbrook School, and why no other school can meet your child's needs. In the case of a medical condition or disability, this should be stated on the application form and can only be considered if substantive medical evidence from a professional such as a doctor and/or hospital consultant is attached and for other circumstances, evidence from a social worker, health visitor, housing officer, the police or probation officer. Please note that a letter from a GP will not normally be deemed sufficient evidence. If there are sensitive and/or serious individual and/or family circumstances, these should be stated at the time of application. Substantive evidence, such as a report from a support service, must be provided.

Common medical conditions and allergies can usually be supported in all mainstream schools, therefore priority under a school's exceptional circumstances criterion would not normally be given for these.

- b) Children who were previously in state care **outside of England**, and have ceased to be in state care as a result of being adopted, may be considered under this criterion. A child will be regarded as having been in state care **outside of England** if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. Evidence will need to be provided by the applicant to demonstrate that the child was in state care **outside of England** and left that care as a result of being adopted.

Providing evidence does not guarantee that a child will be given priority at Fullbrook School and in each case a decision will be based on the merits of the case and whether the evidence demonstrates that a placement should be made at Fullbrook School above any other.

Places may be allocated under this criterion when places are first offered at Fullbrook School and the Local Authority may also ask Fullbrook School to admit over their Published Admission Number at other times under this criterion.

### **3. Siblings**

A sibling will be considered to be a brother or sister (that is, another child of the same parents, whether living at the same address or not), a half-brother or half-sister or a step-brother or step-sister or an adoptive or foster sibling, living as part of the same family unit, at the same address.

A child will be given sibling priority if they have a sibling at Fullbrook School at the time of the child's admission. For the initial intake to the school a child will be given priority for admission only if their sibling will be at Fullbrook School in September 2020. This will apply both at the initial allocation of places and also when prioritising the waiting list. Giving sibling priority has the effect of maximizing the opportunity for children in the same family to be educated at Fullbrook School.

### **4. Children of Staff**

Priority is given to the children of staff where the member of staff has been employed at the school for more than two years at the time at which the application for admission to the school is made. The member of staff must complete the Supplementary Information Form attached to this policy.

### **5. Children for whom the school is the nearest to their home address**

The nearest school is defined as the school closest to the child's home address that admits students of the appropriate age range, as measured by a straight line from the address point of the student's

house, as set by Ordnance Survey to the main school gate. This is calculated using Geographical Information System.

#### **6. Any Other Applicant**

Remaining places will be offered on the basis of nearness to the school measured in a straight line from the address point of the student's home, as set by Ordnance Survey to the main school gate. This is calculated using a Geographical Information System.

## **ADDITIONAL INFORMATION**

### **Home Address**

The home address of the child excludes any business, relative or childminder's address and must be the child's normal place of residence. In the case of formal equal shared custody, it will be up to the parents to agree which address to use. In other cases it is where the child spends most of their time. We will not generally accept a temporary address if the main carer of the child still possesses a property that has previously been used as a home address, nor will we accept a temporary address if we believe it has been used solely or mainly to obtain a school place when an alternative address is still available to that child. All distances will be measured using a Geographical Information System.

The address to be used for the initial allocation of a place for Fullbrook 6 will be the child's address at the closing date for application. Changes of address may be considered if there are exceptional reasons behind the change, such as if a family has just moved into the area. The address to be used for waiting lists, after the initial allocation, will be the child's current address. Any offer of a place on the basis of address is conditional upon the child living at the appropriate address on the relevant date. Parents have a responsibility to notify Surrey County Council and Fullbrook School of any change of address.

### **Out of Year Group requests**

Applicants may choose to seek a place outside their child's chronological (correct) year group. Decisions will be made on the basis of the circumstances of each case and what is in the best interests of the child concerned.

Applicants who are applying for their child to have a decelerated entry to school, i.e. to start later than other children in their chronological age group, must initially apply for a school place in accordance with the deadlines that apply for their child's chronological age. If, in liaison with the Principal, governors agree for the child to have a decelerated entry to the school the place cannot be deferred and instead the applicant will be invited to apply again in the following year for the decelerated cohort.

Applicants who are applying for their child to have an accelerated entry to school, i.e. to start earlier than other children in their chronological age group, must initially apply for a school place at the same time that other families are applying for that cohort. If, in liaison with the Principal, governors agree for the child to have an accelerated entry to the school, the application will be processed. If it is not agreed for the child to have an accelerated entry to the school, the applicant will be invited to apply again in the following year for the correct cohort.

Applicants must state clearly why they feel admission to a different year group is in the child's best interest and provide what evidence they have to support this. More information on educating children out of their chronological year group and the process for making such requests is available at [www.surreycc.gov.uk/admissions](http://www.surreycc.gov.uk/admissions).

### **Multiple births**

In the case of multiple births, where a child whose twin or sibling from a multiple birth is admitted, subsequent siblings will be admitted into the year group.

## **Tie Breaker**

If within any category there are more children than places available, priority will be given to those living closest to the school. Home to school distance will be measured by a straight line from the address point of the pupil's house, as set by Ordnance Survey to the nearest official school gate for pupils to use. This is calculated using a Geographical Information System.

Where two or more children share a priority for a place when using distance as a tie breaker, eg where two children live equidistant from a school, lots will be drawn in the presence of an independent person from one of the Trust's other schools to determine which child should be given priority.

## **Waiting Lists**

Where there are more applicants than places available, waiting lists will operate for each year group according to the oversubscription criteria shown for Fullbrook School and without regard to the date the application was received or when a child's name was added to the waiting list.

Waiting lists for the initial intake to Fullbrook School will be maintained throughout the 2021/22 school year.

After the end of the summer term, parents who wish their children to remain on the waiting list must apply for in year admission via the In Year Application Form available on Surrey Admissions website at [www.surreycc.gov.uk/schools-and-learning/schools/admissions/in-year](http://www.surreycc.gov.uk/schools-and-learning/schools/admissions/in-year)

Waiting lists for all other year groups are also cancelled at the end of each academic year.

Where an applicant is added to the waiting list, or an existing applicant becomes eligible for a place under a higher priority criterion, the list will be ranked again in accordance with the published oversubscription criteria.

## **Children of Staff**

The child of a member of staff who does not qualify for priority admission, because the member of staff joined the school less than two years before the admissions deadline, will have priority on the waiting list from the time when their parent has been employed at the school for two years or more.

Where the child of a staff member does not qualify for priority under this criterion, they will be ranked according to the remaining oversubscription criteria.

## **In Year Admissions**

The following applications will be treated as In Year Admissions during 2021/22:

- Applications after 1 September 2021 for admission into Year 12
- All other applications for admission to Year 13

In Year applications for Fullbrook 6 must be made via the school.

## **Appeals**

Fullbrook, in line with current legislation, has established an admission appeals procedure. Where an application has not been successful but the parents feel there are particular reasons why their child should be admitted to Fullbrook, they are able to put their case to the admission appeal panel. The panel comprises three independent persons from outside the school.
