

NEWSLETTER

Week Commencing: Monday 24 February 2020

LES MISÉRABLES TICKETS

With just over a week to go until the curtain raises on our fantastic performance of Les Misérables, tickets have now completely sold out for the performances on Friday 13 & Saturday 14 March.

There are still some tickets available for opening night – Thursday 12 March if you still need to book.

NOVEL CORONAVIRUS - UPDATE

A further letter has been sent to parents & carers regarding updated advice from Public Health England. We have also provided a copy of the latest information poster on page 4 of the newsletter, and these will also be displayed around school as a reminder for students.

Good personal hygiene is the best form of protection. Everyone should follow the 'Catch-it, Bin-it Kill-it' procedure for coughs and sneezes (catch in a tissue, bin this, wash hands) and hands should be washed carefully with soap and water regularly. As an extra precaution you can provide your son/daughter with an alcohol hand sanitiser to use during the day. Links to updated information are available on the school website.

“Map out your future - but do it in pencil. The road ahead is as long as you make it. Make it worth the trip.” Jon Bon Jovi

YEAR 8 SUBJECT CHOICES – UPDATED INFO

It was great to see so many parents & carers at our Year 8 Choices Evening yesterday. We hope that you found it informative and helpful as you begin to support your sons & daughters with choosing their GCSE Options. There were some teething issues with the email address for queries, so we can now confirm that you can get in touch via either of the email addresses below with details of your query.

year8choices@fullbrook.surrey.sch.uk

year8options@fullbrook.surrey.sch.uk

We are aware of that Business Studies was missing from the 'Free Choice' column on page 29, but the course content is there on page 31. Also, Graphics with Art in the 'Creative Element' column should read as Graphic Design which can be found on page 40. The online version of the booklet has been updated to reflect this.

LES MISÉRABLES REHEARSALS

Please see page 3 of the newsletter for next week's rehearsal schedule including the weekend rehearsals for the cast & crew. The Cast need to ensure they have all required items for their costumes, along with a wooden hanger that is named for storing their costume backstage.

WORD OF THE CYCLE

Our next Word of the Cycle, which we will be incorporating into discussions during lessons and tutor time with students, is below. We would be grateful if you could continue to support this by using the word in conversation at home.

PRECEDE (verb): to come before something in time.

Example: The teacher reminded the class that what they learned in the preceding lesson would help them access the work.

FULLBROOK CAREERS FAIR 2020 – BOOKING UPDATE

We have been delighted with the number of students who have booked onto the Careers Fair on Monday 16 March. Please be aware that the first entry time is almost fully booked, but there is still space for the 8pm entry time.

Visit the [Parents Evening Booking System](#) via the Fullbrook website to secure your space. All students attending must be registered for the event even if they are part of the same family.

SPORTS NEWS

Year 7 Girls Football: Our Year 7 Girls Football team, produced a fantastic result after their Quarter-Final match against Matthew Arnold School in the Surrey County Cup went to penalties! It was a truly end-to-end match, with some wonderful Football played.

Goal scorers: Ellie F, Megan H. Penalties - Ellie F, Sophie W, Lola T.

Our girls are now in the top 4 teams in Surrey!

Year 9 Netball: On Wednesday our Year 9 Netball team faced Winston Churchill. The girls played outstandingly and beat them 13-4! A fantastic (and satisfying) win for the girls!

Congratulations to both teams on these great results.

Advice on the coronavirus for places of education

How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

You should wash hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit [NHS.UK](https://www.nhs.uk) to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Wuhan and Hubei Province in China should self isolate, and NOT attend education or work for 14 days. See [NHS.UK](https://www.nhs.uk) for advice on coronavirus.

If there is an emergency, call 999 immediately

**ALL VISITORS, STAFF AND
PUPILS MUST WASH THEIR
HANDS THOROUGHLY BEFORE
ENTERING ANY CLASSROOMS OR
SHARED AREAS**

CATCH IT

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

BIN IT

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.

Date: 25th February 2020

Dear Parents/Carers

Re: COVID–19 Advice for schools and educational settings

You may be aware that advice for travellers from affected areas has recently changed and it has come to our attention that this may affect children and staff returning from school trips. Please be aware that this is a fast evolving situation and we will continue to share any new advice at the earliest opportunity.

As of today (25th February) advice for returning travellers is as follows;

1) If you have returned from the following areas **since February 19**, call NHS111 to inform them of your recent travel, stay indoors and avoid contact with other people **even if you do not have symptoms**:

- Iran
- Specific lockdown areas in Northern Italy* as designated by the Government of Italy
- Daegu or Cheongdo, Republic of Korea)
- Hubei province, China (returned in the past 14 days)

* *Bertonico • Casalpusterlengo • Castelgerundo • Castiglione D'Adda • Codogno • Fombio • Maleo • San Fiorano • Somaglia • Terranova dei Passerini: • Vo*

2) If you have returned from the following areas since **February 19th** and develop symptoms, however mild, you should stay indoors at home and avoid contact with other people immediately and call NHS111. **You do not need to follow this advice if you have no symptoms.**

- Northern Italy (see [map](#))
- Vietnam
- Cambodia
- Laos
- Myanmar

3) If you have returned to the UK from any of the following areas **in the last 14 days** and develop symptoms of cough or fever or shortness of breath, you should immediately stay indoors and avoid contact with other people, call NHS 111 to inform them of your recent travel to the country.

- Other parts of China outside Hubei province
- Thailand
- Japan
- Republic of Korea
- Hong Kong
- Taiwan
- Singapore
- Malaysia
- Macau
