CORONAVIRUS – PAYING FOR STUDENT MEALS

During this period of heightened awareness around hygiene and the potential transference of germs/bacteria, please top up your son/daughter's lunch money up via [Parent Pay](#) if you are able, as this will help reduce the number of students using the fingerprint machine outside the canteen.

MUSIC DEPARTMENT SPRING CONCERT

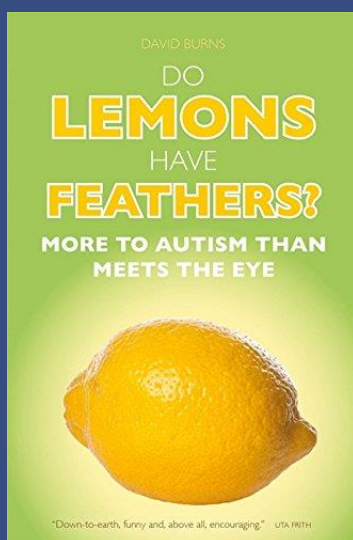

Our Spring Concert takes place on Friday 27 March at 6:30pm in the main school hall. There will be performances from a range of our music ensembles, the Fullbrook Concert Band and soloists. FULLBROOK ALUMNI NEWS

We are delighted to share with you that former Fullbrook student David Burns, was awarded an MBE in the New Year's honours list for "Services to Children and Young People with autism".

David has been assisting families and young people touched by autism for over ten years and has a keen interest in helping those who face challenges accessing education because of a disability or special education need.

He now lectures at the University of Winchester on special education needs and autism and is a member of several advisory panels in West Sussex and Hampshire, along with being a published author.

LES MISÉRABLES – CURTAIN UP!!

Last night saw the Fullbrook main hall packed out for the opening night of our much anticipated production of Les Misérables. The audience was transported to early 19th-century France for the musical adaptation of Victor Hugo's classic tale. We can't even begin to describe how proud we are of everyone involved, for their hard work, dedication and outstanding performances both on stage, and behind the scenes. And the best thing about it is....they get to do it again tonight, and tomorrow!

The only question left now, is how on earth will Miss Lawrence top this!?!?

CadetsRunnymede@surrey.police.uk

Who is it for?

Our scheme is open to anyone aged 13-18 and living in Surrey and it is currently free of charge.

How does it work?

Cadets attend a two-hour evening session each week which will include inputs, drill, sport activities, team-building and talks from guest speakers, both internally and externally.

They will also assist policing teams and will be expected to volunteer an average of three hours per month working in their communities on crime prevention and social action projects.

Units run throughout the academic school year with some planned events during the holidays and at weekends. The VPC national syllabus covers topics such as law, community, communication and police procedures. Cadets will progress through a workbook, developing from the induction (recruit) phase through different levels.
