

# NEWSLETTER

Week Commencing: Monday 15 June 2020

## **BROWN UNIFORM** **DONATIONS** **NEEDED!**

From September 2020 our Year 11 students will be the only year group to return to school in the old brown uniform.

As availability of this uniform is reducing rapidly, we would be grateful if our current Year 11 students could donate any of the following items to the school that are still in a good, wearable condition.

- **Brown blazers**
- **Brown Skirts**
- **Ties**
- **Old style Yellow/Grey & Black PE kit**

If you are able to help, then please ensure that any pieces of uniform are cleaned prior to donation.

Items can be dropped off at the school from Monday 15 June, but we would advise contacting reception to arrange a suitable time to bring them in.

Many thanks.

## **WIDER OPENING: BUSINESS AS (UN)USUAL**

It has been wonderful to see so many of our Year 10 students back in school this week. They managed the new learning structure and the social distancing measures that are in place around school in a very mature way. See page 3 of the newsletter for pictures of the 'new normal' at Fullbrook.

Parents/carers of students in Year 10 **must** notify us if their son/daughter is not going to attend the on-site provision for week commencing 22 June. We will assume that if your son/daughter attended in Week 1 that they will be in school next week. If they are not going to attend please email [shermam@fullbrook.surrey.sch.uk](mailto:shermam@fullbrook.surrey.sch.uk)

If your son/daughter is scheduled to attend but for any reason they are not able to, we will be expecting them so please email [shermam@fullbrook.surrey.sch.uk](mailto:shermam@fullbrook.surrey.sch.uk) to advise of the change of plan. If you are unable to email, then please phone reception on 01932349301 and leave a message clearly stating your son/daughters name and the reason for their absence. This is vital for safeguarding reasons.

## **THANK YOU FROM FULLBROOK STAFF**

We were delighted to receive some care packages in the last couple of weeks. Staff who have been in school this week have hugely appreciated the treats and essentials. A **BIG** thank you to Mrs Harrison (who coordinated similar parcels for a number of schools in the area), and the Brannan family for such a lovely gesture.

## **YELLOW BUS SERVICE - PETITION**

A petition regarding the ending of the Yellow Bus service has now gone live. If anyone wishes to show their support against the removal of this vital service for students, please click [here](#).

## FEEL GOOD FRIDAYS – REMINDER

Our "Feel Good Friday" Zoom sessions are continuing for students in their form group. Links to the sessions are shared via Show My Homework by form tutors each week, and we encourage students to use this time to connect with their tutor and other students while our remote learning continues.

## NEW PASTORAL ASSEMBLY VIDEO – ANTI-RACISM

We are continuing to update the website with new Pastoral Assembly content, and Ms Sauer has now recorded one on the subject of “Anti-racism: Making the Right Kind of History”, which is very relevant at the moment. Education on this subject is vital to ensure that there is no place for racism at Fullbrook or the wider world. As part of The Fullbrook Way, students are taught to show respect to everyone, and we want them to feel able to speak out against racism when they see it happening. Click [here](#) to access the Pastoral Assembly videos.

## YEAR 6

Since the start of lockdown liaison with Primary schools has been taking place to ensure that Year 6 students have as smooth a start as possible in September. This newsletter, for example, also goes to all parents of year 6 students. Other work has included:

- Virtual meetings of Year 6 teachers with Mr Wright (Head of Learning Year 7)
- SENDCo liaison
- Transition Booklet
- Transition video with Mr Manley
- Opportunity to email in questions
- Transition videos showing a walk around the school site
- Year 6 cross curricular transition project

Lots of other work has been going on behind the scenes and further activities are planned for the rest of this term.

## YEAR 6 CROSS CURRICULAR TRANSITION PROJECT

Many students in Year 6 have begun working on the cross curricular project with enthusiasm. The purpose of this project was to give Year 6 students the opportunity to help them prepare to start at Fullbrook with confidence. We intend this to be a supportive measure; there is no expectation that students will complete this. Now Year 6 are back at school it maybe that they do not have time to engage with this project, students should not feel that they have to complete it. However, we will be interested to see any work that has been done.

## DATES FOR YOUR DIARY

Wednesday 22 July

End of Summer Term (early finish for students)
