

Enrichment programmes

Any after school clubs are free and we encourage all students to take part in at least one of these.

Peripatetic music lessons are held during the school day and we are happy to support students in year 7 with the costs of lessons if needed.

Payment for out of school activities would need to be arranged directly with the provider – they are usually able to put you in touch with organisations who provide grants or funding schemes.

A number of charitable organisations provide enrichment programmes during the school holidays. These include theatre trips and day trips. Eikon organise a camping trips in the summer and regularly take Fullbrook students.

If you would like your child to be invited to take part in one of these activities, please send an email to info@fullbrook.surrey.sch.uk

Please put Enrichment Programmes in the subject line and let us know the following information:

Name of student and their year and tutor group

Date of the event/activity

Organisation or person leading the activity

Where the activity is expected to take place.

We will then investigate the options and let you know the next steps to sign up.
