

School equipment and resources

Laptops and tablets

If your child needs a laptop to be able to complete homework or engage in on-line learning, please complete the attached form and send it to info@fullbrook.surrey.sch.uk

4G Data

The government have introduced a new scheme to support eligible families in lockdown with regards to data usage. If you do not have broadband, or are unable to finance extra data for devices, Fullbrook are able to request additional data to use on your mobile phone at no extra charge on your behalf.

The mobile providers taking part in this scheme are:

Three

Smarty

Virgin Mobile

EE

Tesco Mobile

Sky Mobile

If you are with one of the above networks and would like to take advantage of this scheme to increase your data allowance at no cost to you for the period of the scheme, please provide us with the following details:

- Name of the account holder
- Mobile telephone number
- Mobile network
- Pay monthly or pay as you go
- Name of child

You are able to read the government's privacy statement for the scheme here:

<https://get-help-with-tech.education.gov.uk/increasing-mobile-data/privacy-notice>

Once we have submitted your request and it is processed, the account holder will receive a text message.

Other technology support

We are able to provide students with books and subject-specific resources, calculators, maths equipment, pencil cases and other stationary supplies for those students who are eligible. We are also able to cover the costs of revision guides for students in exam years.

Please contact your student's Head of Learning or send an email to

info@fullbrook.surrey.sch.uk if you need help with any of these items.
