

Trips and visits

Students who meet the threshold for PP funding are eligible to claim the costs for trips and visits with school.

Parents should send an email to the trip leader with a request for support with funding with their consent form for the trip. The finance department will then confirm to the trip leader and they will let you know whether the funding has been allocated.

Local day trips are usually covered. Trips to the Temples, London Zoo, Box Hill, Tate Modern, Sea Life London Aquarium and Theatre Trips circa £25 per trip were included in this scheme last year.

School can usually help with 50% of the costs of trips abroad including the history trip to the battlefields.
