My Fullbrook 6 Experience
– an evening for students,
by students
(no appointment needed)

Thursday 26 September 2019
6:30-8pm

The first cycle of the new academic year has come to an end and all our students have made a fantastic start to the year. Many of the Year 7 students already know their way around and everyone had started the year with great attitudes to their learning.

We look forward to welcoming Year 5 & 6 students and their parents to open evening next Thursday and I would like to extend my thanks to our students in advance for their help as guides and subject ambassadors.

FULLBROOK GETS SOCIAL

We are delighted to announce that we have expanded Fullbrook's social media presence with the introduction of a Facebook page to go with our existing account on Twitter. We hope that by sharing news & information here, it will become a useful source for school updates.

We'll be using the platforms to help raise awareness of what's going on at Fullbrook & Fullbrook 6, celebrate success stories, share information about wider opportunities such as trips and other enrichment activities, and events happening locally that might be relevant.

If you are on either of these social platforms then please take the time to follow us on [Facebook](#) or [Twitter](#) to help us grow our audience. The page and all posts will be public so that followers are able to like and share them with their friends & family network, and we would be hugely grateful if you would do so.

We would like to remind you that posts from Fullbrook should not be used to raise issues that you might have. This should be done directly with the school either via telephone, email or in person.

“Continuous effort – not strength or intelligence – is the key to unlocking our potential.” Winston Churchill

LATE START FOR STUDENTS

There will be a late start for students on Friday 20 September as a result of our Open Evening which is being held the night before. Students will not be required to come into school until 10:55am for registration at 11:00am. There will be no morning break, and students will go to their P3 lesson after registration.

The yellow buses will run two hours later than normal on Friday morning. Students arriving at school earlier than 10:55am should go to the canteen. There will be no breakfast service.

WORD OF THE CYCLE

It's time for the first Word of the Cycle for the new school year, which we will be incorporating into discussions during lessons and tutor time with students. We would be grateful if you could continue to support this by using the word in conversation at home.

SPECULATE (verb): To guess possible answers to a question when you do not have enough information to be certain

Example: We began to speculate about possible causes of the goldfish's death

STUDENT PLANNERS

This year we have decided to issue planners to Year 7 students only to support them as they settle into life at Fullbrook. The booklets have been printed in house rather than using an external company, which will help us reduce wastage. If your son or daughter is in Years 8-11 and would still like to have a planner then please send a note or an email to the school requesting one.

WANT TO WORK AT FULLBROOK?

We currently have a number of vacancies being advertised on the Fullbrook website, but one which may be of interest to you is the Learning Support Assistant role. Please see the job advert attached for more details.

If you are interested in applying for this, or any other position at Fullbrook, then please click [here](#) to find out how to apply.

LES MISERABLES

This week auditions for this year's school show took place. We look forward to the announcements of roles. Over 100 students attended the auditions. Well done to all students who participated.

STUDENT SUCCESS

BMX Racing: Ben C in Year 11 has won two major titles in BMX this season. Despite riding up an age group (in the 16 year old category) Ben won the title in the National BMX Series and equally impressively became the British Champion in the British Championships in Derby in August. Well done Ben, that's a brilliant achievement!

Musical Theatre: Congratulations also go to Roman T in Year 11 who will be joining the cast of the Cole Porter classic, High Society at the Rhoda McGaw Theatre, Woking after the October half term break. The show will run from 6-9 November, and anyone wishing to see him tread the boards can book tickets [here](#).
