

PE KIT POLICY

The Fullbrook Physical Education Kit policy requires, all students to change into their PE kit, even if they are excused from the practical element of the lesson. The only exception to this will be if a student is unable to change because of broken limbs, for example. On occasions when students are unable to do PE, they will be expected to take on different role within the lesson. This might be as an official, coach or observer.

By wearing the Fullbrook PE kit, students who are not participating can ensure they stay warm and prevent their uniforms from getting dirty. If students fail to bring their kit, the usual sanction will apply. If a pupil is able to participate, but has forgotten their own kit, they will be provided with spare kit that they will be expected to wear so that they actively engage in their practical lesson.

Sanction Procedures:

Missing items/ incorrect kits = 1 warning

3 warnings = 30 minute detention

No kit = 1 hour detention

Refusal to wear own kit/spare kit = 1 hour Head of Faculty detention
