Week Commencing: Monday 31 August 2020

YEAR 11 - BROWN UNIFORM

For any parents or carers who need to purchase brown uniform, we have a limited amount of brand new items which are available to purchase at 2/3 of the original price.

As with last year, we also have a small stock of second hand items which are available to purchase in return for a small donation.

For all items, you will need to make an appointment to come in to school,. Alternatively, you are welcome to send your request to info@fullbrook.surrey.sch.uk and once we've confirmed we have what you need, payment can be sent in with your child and they can collect the items.

WELCOME BACK TO OUR NEW NORMAL!

It was wonderful to welcome all students back school yesterday. For more details on the COVID-19 secure measures at Fullbrook please see the student information booklet (<http://www.fullbrook.surrey.sch.uk/wp-content/uploads/2020/07/Return-to-School-All-Year-Groups-.pdf>)

As with anything new and particularly in these unknown circumstances procedures and protocols on site are being updated as we learn through experience. This will ensure that we keep everyone onsite as safe as possible in the current climate. Students have been asked to feedback any useful observations to their tutors to help us improve, your feedback is also welcome via info@fullbrook.surrey.sch.uk.

Our new Year 7 cohort have already begun to settle into life at Fullbrook with great enthusiasm, while our other year groups are adapting to the new way of life on site as though they had never been away. Everyone demonstrated great care and attention towards the one way system, hygiene protocols and the zoning around school which really helped in terms of navigating the new timetable structure we've adopted for this year.

“Let us remember: One book, one pen, one child and one teacher can change the world.” — Malala Yousafzai

FULLBROOK VIRTUAL OPEN EVENING

This year, the Fullbrook Open Event programme for September 2021 Year 7 Admissions will be hosted virtually. Our Open Evening taking place on **Thursday 17 September**. Full details of the event will be on the school website next week, but you are able to reserve your space by clicking here and registering for the time slot that suits you best.

There will also be virtual Open Mornings dedicated to our main feeder schools along with an extra session for anyone who is unable to attend the session for their school/is not from one of those schools.

Booking for the main school events will go live on Monday 7 September. To register, please click [here](#).

MY FULLBROOK 6 EXPERIENCE

My Fullbrook 6 Experience event which takes place on **Thursday 24 September** will also be virtual year. This event is a great opportunity for our Year 10 students to find out more about studying A-Levels with Fullbrook 6, and for any Year 11 students who are still undecided. As with the main school events, booking will open on Monday 7 September.

To register, please click [here](#)

CYCLE PERMITS

All students who ride a bike to school and wish to keep their bike on site, must obtain a new bicycle permit letter from Mrs Mason at the beginning of every new academic year. The letter must be signed and returned to Mrs Mason who will issue a permit. There will be further availability of bicycle storage from October. However, students should obtain their permits now as numbers will continue to be limited and demand is currently very high to secure bicycles on site. All students with permits must follow the permit regulations which include wearing a cycle helmet at all times and never riding a bicycle whilst on site.

Students who do not have a permit will need to keep their bicycles off site. There is a bike rack available at West Byfleet Railway station, which is a five minute walk from school.

CORONA VIRUS TESTING

As we return for the autumn term and welcome our students back to Fullbrook, we understand that there may be some concerns about the risks of transmission of coronavirus. Along with all schools and colleges across the country, we are putting in every effort to follow the guidance and ensure that students can return safely as the new term starts. Attached to this newsletter, we have provided you with the advice on testing and shielding that we have received from Public Health England and NHS Test and Trace so that we can all work together in achieving this most vital mission, to get our students back to Fullbrook, learning happily and safely.
