

Interleaving

The first ½ term of Year 9 teaches the basic theoretical approaches:

- Feminism
- Functionalism
- Marxism
- Weber

We then return to these approaches for each of the 4 topics.

The second half of term 1 of Year 9 teaches:

- Quant. methods
- Qual. methods
- Sampling

We then apply these methods for each of the 4 topics.

Note: The colour codes demonstrate how topics are interweaved throughout the course. The interleaving rows show *explicit interleaving assessments*
