

BTEC Assessment Policy 2020-2021

Aim:

- To ensure that assessment methodology is valid, reliable and does not disadvantage or advantage any group of learners or individuals.
- To ensure that the assessment procedure is open, fair and free from bias and to national standards.
- To ensure that there is accurate and detailed recording of assessment decisions.

In order to do this, the centre will:

- Ensure that learners are provided with assignments that are fit for purpose, to enable them to produce appropriate evidence for assessment
- Assess learner's evidence using only the published assessment and grading criteria.
- Ensure that assessment decisions are impartial, valid and reliable.
- Not limit or 'cap' learner achievement if work is submitted late.
- Develop assessment procedures that will minimise the opportunity for malpractice.
- Maintain accurate and detailed records of assessment decisions.
- Maintain a robust and rigorous internal verification procedure.
- Annually provide samples for National Standards Sampling as required by the awarding body.
- Monitor NSS reports and undertake any remedial action required.
- Share good assessment practice between all BTEC programme teams.
- Ensure that BTEC assessment methodology and the role of the assessor are understood by all BTEC staff.
- Provide resources to ensure that assessment can be performed accurately and appropriately.

The policy will be reviewed annually in October. Date of next review October 2021.
