

31 December 2020

Dear Parent/Carers

January Return 2021

Following the announcement from Gavin Williamson, Wednesday 29 December 2020, students and staff will be returning to school as follows:

1.	Monday 4/1/21	All Staff online INSET Day	INSET training as planned. In addition, staff will receive training on testing in schools.
2.	Tuesday 5/1/21 to Friday 8/1/21	Year 11 and 13 remote learning	Year 11 and 13 students will be taught through a mixture of live online lessons and remote learning materials. All work is accessed through the Student learning environment in the Remote Working Documents area. Further details will follow. Year 7&8 assessments will be delayed until students return to school.
		Students whose parents are critical workers or who are vulnerable return to school 5/1/21.	Information on registering students who meet the criteria for on-site provision will follow in a separate email.
3.	Monday 11/1/21 to Friday 15/1/21	Years 11 and 13 return to school Years 7,8,9,10 and 12 continue to engage in remote learning.	Years 11 and 13 will be taught on site. Years 9, 10 and 12 will receive live lessons. Years 7 and 8 learning will be via pre-set learning materials to enable staff to facilitate COVID-19 testing.
		All students to have COVID-19 test at school. Priority to Year 11 and 13.	All students to come to school on specific days at specifically allocated times. Further information including appointment times to follow in a separate email.
		Thursday 14/1/21 Year 11 F6 taster day is cancelled	This will be rescheduled. Further information will be given once all have returned to school.
4.	Monday 18/1/21	All year groups return to school.	Students return at their staggered year group times and to their zones as before the holiday.

During week beginning 4 January 2021 plans will be put in place and training undertaken to enable lateral flow testing for all students before returning to the classroom. More details of how this will take place will be sent to you from 4 January 2021.

The aim of testing at school is to enable students to return safely but does not replace the ongoing safety measures of regular hand sanitising, wearing face coverings and keeping to the year group bubbles. Testing is voluntary and requires parental permission. I would urge you to consider the fact

that the testing is only helpful if most students participate.

From 4 January 2021 all information will be sent to you by email and posted on the COVID-19 information page on the school website. Please do the following:

1. Return information to register students whose parents meet the critical workers criteria or students who are vulnerable and require onsite provision from 5/1/21. A letter will be emailed explaining the criteria and how to register.
2. Look out for information about remote learning explaining how students access work from home.
3. Return information to enable your child to take part in COVID-19 testing before returning to school. You will receive details and will be required to return:
 - a. A registration form
 - b. A consent form
4. Ensure your child has hand sanitiser and 2x face coverings ready to bring in on their first day back.

After 18 January 2021, we are required to carry out testing on an ongoing basis. We would welcome help from anyone who can spare the time to assist with testing of students in school. Volunteers will be required to undertake online training (2 hours max) and a 30min on site dry run walk through before being able to administer testing. If you could help with the testing on an ongoing basis please email info@fullbrook.surrey.sch.uk with the words COVID-19 TESTING VOLUNTEER in the subject heading and include your contact details and the regular times you would be available.

Please continue to monitor your email and the school website closely. We look forward to welcoming all students back to school safely during January.

Yours faithfully

Mrs K Moore
Principal
