Week Commencing: Monday 23 February 2021

FULLBROOK 6 IS ON INSTAGRAM!

Fullbrook 6 have launched an Instagram account as part of their strategy to attract applications for students who are thinking about their next steps after GCSEs.

Over the coming weeks they will be sharing short videos and posts which give a great snapshot of life as part of F6, and insight into what makes it a great community to be part of.

If you or your children would like to follow the account, click the Instagram icon in the Social Media section on page 2 or search **@fullbrook_6** on the app.

In the coming weeks we will also be creating an account for the main school, and we will let you know when that is live.

GETTING READY TO RETURN IN MARCH

We are delighted that the government have announced that students will be returning to school from Monday 8 March. On Wednesday an email was sent to parents/carers outlining the plan along with the timetable for testing of all students prior to the return.

It is vital that you have read all of the information so that you are able to discuss with your child what is going to happen and when.

We have also uploaded all of this information to the Fullbrook website for everyone to access quickly. Click [here](#) to view.

The Education Secretary, Gavin Williamson, has also written an open letter to parents, carers and guardians following the Government announcement that schools will be opening to all pupils from Monday 8 March. Click [here](#) to read it.

WORD OF THE CYCLE

It's time for our next Word of the Cycle, which will be incorporated into lessons and tutor times with students. We would be grateful if you could continue to support this by using the word in conversation at home.

SYNERGY (noun): the interaction of elements that when combined produce a total effect that is greater than the sum of the individual elements.

Example: There was an impressive synergy between staff, students and parents during lockdown to ensure effective learning took place at home.

INTRODUCING MFL WORD OF THE CYCLE

From Monday we will also be introducing a Modern Foreign Language (MFL) Word of the Cycle which will be incorporated into MFL lessons in a similar way to our normal Word of the Cycle. See below for this week's word.

English: We play football **together** every day.

French: Nous jouons au foot **ensemble** tous les jours.

Spanish: Jugamos al fútbol **juntos** cada día.

WORLD BOOK DAY

World Book Day is on Thursday 4th March this year. The school has a range of activities and competitions that tutors will go through with their tutor group to encourage participation, details of which can be found on the [Reading for Pleasure](#) section of the website. Happy reading!
