NEW SCIENCE STOOLS HAVE ARRIVED!

Last week we took delivery of our first batch of new science stools which were purchased thanks to the wonderful fundraising of our Parent Voice. The Premises team have spent some time building them, and they are now in place in C Block.

We think you'll agree that not only do they look fantastic, but that students will really benefit from having them once we're able to welcome everyone back to school.

Thank you to everyone who has played a part in making this happen for our students, we truly appreciate you all.

ENGLISH DEPARTMENT - HOUSE COMPETITIONS

Shakespeare Competition: Shakespeare Week is a national annual celebration giving school children opportunities for enriching and enjoyable early experiences of Shakespeare. This year, the English department have organised a competition inspired by this year's Shakespeare week theme of 'wellbeing' to help you get in touch with your creative side! There will be prizes for the winners in each year group.

Alternative Book Cover Competition:

In the build-up to World Book Day we invite all students to create an alternative book cover for their favourite book. This is an opportunity for them to get away from their screens over half term and get creative!
