Template Version

This template risk assessment checklist has been issued by GEP Academies, the multi-academy trust.

The first version of this template was issued in May (version 1.0), for 1st June 2020 reopening, following COVID-19 Lockdown.

This second template was issued 16th July 2020 (July 20, version 2.0). Changes from the first template are referenced by [REVISED], [NEW], and [REMOVED] in tracked changes version issued to schools. This second version would ideally be used as a whole new risk assessment; or as an addendum to the existing risk assessment.

Related documents

Please note: this risk assessment checklist should be undertaken in conjunction with the guidance on school reopening issued by the Department for Education. At the time of writing it was known that government guidance for September 2020 was still to be issued. Such references are made in blue text to enable school leaders to review this guidance prior to final risk assessment submission/publication before September 2020.

0.2 Curriculum Organisation					
(a) Curriculum is broad and balanced, meeting national standards [NEW]	L	<ul style="list-style-type: none"> Curriculum meets national standards Agreed new timetable and arrangements confirmed for each year group, to minimise social contacts where possible From Summer 2021 the full curriculum is taught; in Autumn 2020 and Spring 2021, consider revising the timetable to enable best opportunities for catch-up. Remote learning Plan – Tiered system 	Y	1/9/20 Full timetable in place for all year groups from Sept 2020 in line with Fullbrook's usual curriculum model and in COVID-19 secure way. Except, Year 11 will not study RS to GCSE. This timetable time has been used for extra maths for all year 11 students 5/1/21- remote learning plan implemented in line for DfE requirements (See website for remote learning plan. http://www.fullbrook.surrey.sch.uk/coronavirus/ at entry 30 September 2020.) 2/3/21 Teaching and learning returns to provision as Sept 2020	L
(b) Pupils will have fallen behind in their learning during school closures and achievement gaps will have widened [EXISTING]	H	<ul style="list-style-type: none"> Gaps in learning are assessed and addressed in teachers' planning. Home and remote learning is continuing and is calibrated to complement in-school learning and address gaps identified. Exam syllabi are covered. Plans for intervention are in place for those pupils who have fallen behind in their learning. 	Y	<ul style="list-style-type: none"> Revised Curriculum plans in place to ensure all GCSE and A Level specification content is delivered. GCSE RS removed from yr11 curriculum, extra maths in place Survey monkey of all material covered since start of lockdown completed by all year 10 students by Wed 22/7/20 to enable curriculum planning for September. Years 9 and 12 will have completed surveys monkey by end September to enable amendment of curriculum plans to meet need. After School session with teachers timetable for yr 11 students. Small group catch up sessions for students identified with gaps in learning in other year groups. DfE funded recovery lessons for PP and all students in place once fuller guidance received. (d) Poor provision for pupils learning offsite, whilst peers learn onsite [NEW]	H	<ul style="list-style-type: none"> • At home IT provision survey • Offsite learning provision is thought through for those pupils not attending classes alongside peers (e.g. due to self-isolation) • Engagement levels of offsite learners are monitored 	Y	<ul style="list-style-type: none"> • Purchase of Technology • Use of SAM Learning for offsite provision. • Inclusion of students who are off site in lessons by use of Zoom in real time so that offsite students can participate in live lessons is well enough to do so. (b) Physical activity: increases risk of infection [NEW]	M/H	<ul style="list-style-type: none"> Pupils should be kept in consistent groups, sports equipment thoroughly cleaned between each use by different individual groups, and contact sports avoided. Outdoor sports are to be prioritised where possible. Large indoor spaces used (where outdoor not possible), maximising distancing between pupils and paying scrupulous attention to cleaning and hygiene. External facilities are used in line with government guidance for the use of, and travel to and from, those facilities. Schools may refer to the following advice: guidance on the phased return of sport and recreation and guidance from Sport England for grassroot sport advice from organisations such as the Association for Physical Education and the Youth Sport Trust 	Y	<ul style="list-style-type: none"> PE classes within year groups remain consistent all year. 7.3 Visitors attending site					
(a) Contractors on-site whilst school is in operation may pose a risk to social distancing and infection control	M	<ul style="list-style-type: none"> Ongoing works and scheduled inspections for schools (e.g. estates related) have been designated as essential work by the government and so are set to continue. An assessment has been carried out to see if any additional control measures are required to keep staff, pupils and contractors safe. Assurances have been sought from the contractors that all staff attending the setting will be in good health (symptom-free) and that contractors have procedures in place to ensure effective social distancing is maintained at all times. Alternative arrangements have been considered such as using a different entrance for contractors and organising classes so that contractors and staff/pupils are kept apart. Social distancing is being maintained throughout any such works and where this is not possible arrangements are reviewed. In addition to arrangements for COVID-19, normal contractor procedures are being applied and have been updated in light of COVID-19 (including contractor risk assessments and method statements, and contractor induction). 9. Governance

9.1 Oversight of the governing body

Lack of Trustee / Governor oversight during the COVID-19 crisis leads to the school failing to meet statutory requirements.	H	<ul style="list-style-type: none"> The governing committees continue to meet regularly via online platforms. The governing committees' agendas are structured to ensure all statutory requirements are discussed and school leaders are held to account for their implementation. The CEO/Principal's report to governors includes content and updates on how the school is continuing to meet its statutory obligations in addition to covering the school's response to COVID-19. Regular dialogue with the Chair of Trustees / Governors and those Trustees / governors with designated responsibilities is in place. Minutes of governing body meetings are reviewed to ensure that they accurately record governors' oversight and holding leaders to account for areas of statutory responsibility.
