FULLBROOK 6 ART & TECHNOLOGY FUNDRAISING

The fundraising page for the new creative learning space in the Technology block has now closed. We raised **£140** which will go towards equipment needed to give our A Level students a more collaborative working environment.

Special thanks go to the following people who donated to the fund.

FULLBROOK CAREERS FAIR – SAVE THE DATE

Our fantastic Parent Voice are proud to announce that the Fullbrook Careers Fair will take place on Tuesday 22 March from 6-9pm in the Fullbrook Sports Centre.

After the disappointment of having to cancel the event in March 2020 due to the global pandemic and national lockdown situation, we are delighted that it now feels safe to be able to offer our students and their parents/carers the opportunity to attend once again.

The Parent Voice have already signed up over 40 exhibitors from a variety of career paths/employers and further study options for students to think about post GCSE/A Level.

We will be sharing further details after half term along with the link for booking tickets, but in the meantime, please do put the date in your diary.

CHANGE TO MASK MANDATE IN SCHOOLS

From **Thursday 20 January**, in line with government guidance, students and staff no longer have to wear face coverings in classrooms. Then, from **Thursday 27 January** students and staff will no longer be required to wear face coverings in corridors and communal areas either. Of course, anyone who wishes to wear a face covering, can continue to do so.

Everyone eligible who has not yet had received it, should get a vaccine or booster. Other Covid-19 secure measures in school, including testing twice weekly, remain in place. It is important that we all continue to do all we can to stay well so that face to face teaching and learning can take place for everyone.

CHANGES TO THE SELF-ISOLATION PERIOD FOR THOSE WHO TEST POSITIVE FOR COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further [information on self-isolation for those with COVID-19](#) is available.

BREAKFAST CLUB

From Monday 24 January, the catering team, will also be offering a breakfast service in the canteen from 8-8:30am. We will continue to operate on a cashless basis, so if your child wishes to get breakfast at school, please make sure their account is topped up via [ParentPay](#).

WORD OF THE CYCLE

It's time our next Word of the Cycle, which we'll be incorporating into lessons and tutor times with students. We would be grateful if you could continue to support this by using the word in conversation at home.

Ruminate (verb): Think deeply about something (over a period of time).

Example: *Being given the time in class to ruminate over their ideas allowed the students to come up with thoughtful points.*

MFL WORD OF THE CYCLE

Our next Modern Foreign Language (MFL) Word of the Cycle, which will be incorporated into MFL lessons in a similar way to our normal Word of the Cycle is below.

English: To Reflect or think carefully/ deeply about something- e.g. *The philosopher reflects on the meaning of life.*

French: réfléchir - e.g. *Le philosophe réfléchit au sens de la vie.*

Spanish: reflexionar - e.g. *El filósofo reflexiona sobre el sentido de la vida.*

STUDENT SUCCESS

Lucas C-T from Year 11 is currently in Austria taking part in the Precise Ski Academy in Austria until the end of January. Since arriving, he has undertaken a rigorous programme of training, competition and schoolwork but his hard work and dedication is definitely paying off. So far, Lucas has finished in the top 10 in the speed races and top 5 in most of the technical events. The highlight of his participation so far has been 3rd place in Giant Slalom. Well done Lucas, we look forward to hearing all about it when you return to school!

FULLBROOK 6 FOOTBALL RESULT

F6 football team recorded another league win on Wednesday afternoon. The game against Merrist Wood resulted in a confident 7-3 win for the team, especially considering they had no subs for the first half of the game. Goals came from Jasper C (3) and Haydn F (4).

Congratulations to the whole team for another sterling effort.
