## FULLBROOK WALL ART PROJECT

After half term, students are embarking on an exciting fundraising project to support the development of the environment in Fullbrook. Further details are in a letter attached on page 4 of this newsletter.

## FULLBROOK DEBATE CLUB

On Wednesday after school, the Fullbrook Debate Club met for their next discussion. The topic this time was 'Whether the existence of billionaires is a moral failing'?

This time, two of our Year 10 participants took to the podium to make strong, reasoned arguments for and against the subject. After a robust start from Louisa R arguing for the statement, the audience was in agreement with her; however, Katherine S put forward a brilliant case against the statement, and the second vote swung in her favour, leaving her victorious.

A fantastic discussion from both students who were speaking to an audience largely filled with F6 students, so lots of reasons to be proud.

## ECO SCHOOLS – HALF TERM ACTIVITY FOR FAMILIES

As half-term is upon us, Miss Skennerton has provided an eco activity that you might like to get involved in during the holidays. [No Escapade Too Big or Small Bingo](#) is a downloadable sheet which has lots of activities which you can involve the whole family in.

No matter how big or small your children might be, there's something on there for everyone, so we hope you have fun!

## CALLING STUDENTS INTERESTED IN SINGING

Do we have any students who enjoy singing, and have been interested in lessons but never actually got started? The Music department along with our vocals teacher Miss Bedford is offering a number of free places for singing lessons.

We're looking for students in any year group who are enthusiastic to learn; who might be thinking about continuing on to GCSE Music; or who are willing to be involved in extra-curricular music such as the choir.

### **What do you need to do?**

Email [music@fullbrook.surrey.sch.uk](mailto:music@fullbrook.surrey.sch.uk) to register your interest, or talk to Mr Johnson in the Music department. We will arrange a free taster lesson that will also act as a mini-audition.

## GET INTO TEACHING – EVERY LESSON SHAPES A LIFE

For anyone considering a career in teaching, please see **page 5** for details of the Thamesmead Teacher Training Partnership poster for information about their programme which commences in September 2022.

### SPORTING SUCCESS

**Year 8 & 9 Girls Football:** Our Year 8&9 Girls have retained their District 6-a-side trophy in emphatic style! In the second round of fixtures, played last week, our girls played and won 8 matches, scored 23 goals and conceded 0. Without the injured Caitlin B, goalkeeping duties were shared each game, so to keep a clean sheet was a real achievement. Special mentions to Amelia F and Lola T for making crucial saves in the tighter matches!

Across both tournaments, the stats stand at 13 matches played and won, 32 goals scored, 0 conceded. Great work by all involved, but the player of the tournament, as voted for by our girls, was Megan H for her 13 goals yesterday and 17 goals overall.

Congratulations to the whole team, on such a phenomenal result.

February 2022

Dear Parent/Carer,

### Whole School Fundraising

In October 2021 the Year Team Council completed a student voice exercise asking all students to complete a survey which encouraged them to raise their ideas and concerns to the School Council and Senior Leadership Team. There was a very strong response rate from students and some excellent ideas to consider. There were a number of logistical ideas which were very sensible and could be actioned straightaway, an example allowing students who have PE period 5 to leave school in the PE kit, saving valuable learning time. One of the strongest points to be raised by students was the sense of disappointment in the internal visual aesthetics of the school. They expressed a desire for the school to become more visually inspiring and for damage to the walls to be repaired. Fullbrook has now begun an ambitious project to install visually stimulating and inspiring wall art throughout the school. These graphics are custom made to our specifications and the impressive wall art already installed along the main corridor features a 'timeline of equalities' which has been well-received by students and staff.

On Monday 7 February the Student Principals launched an exciting fundraising project with all students in Years 7 - 11. There is an ambitious target set of £25,000 which we hope to achieve by the end of the academic year. Students have been challenged to see if they can raise £30 each by sponsored activities in service to their families and the wider community. Student fundraising activities give the students a sense of ownership of the wall art project and also contributes to showing support of the whole school community. The money raised by students will contribute toward paying for repairs to the walls so that the wall art could be installed, the wall art project itself, and further developments to the fabric of the school over time.

We look forward to hearing about all of the fun and exciting ways that students raise their sponsorship, see their sense of pride in the community develop, and enjoy the improved visual aesthetics of their learning environment.

This programme will help students to value their environment and support them to continue to be 'better than they ever thought they could be'.

Thank you for your support.

Yours sincerely
