WATER BOTTLE REMINDER

We are seeing more and more students visiting reception asking for a drink due to thirst, because they've not brought a water bottle into school with them.

We would like to remind parents and carers that Fullbrook students need to bring a refillable water bottle into school with them so that they can stay hydrated throughout the school day.

Many thanks.

FULLBROOK CAREERS FAIR – NOT LONG TO GO!

We now have less than a week to go until the return of The Fullbrook Careers Fair, and two thirds of the spaces have already been booked! If you've not already reserved a place for your child(ren) then please do so. The 6pm slot is completely booked, but there is still availability for the 7pm and 8pm entry times.

Tickets are available to book via our [Eventbrite](#) page.

The brochure for the fair is being sent in a separate email (which you may have already received), and it gives you plenty of information to talk about over the weekend. Due to the size of the brochure, we won't be printing copies to give to students, but it has been shared with them via Microsoft Teams by Mrs Stewart. On the evening, there will be a leaflet which shows the list of exhibitors and where they are located in the sports hall.

We are very excited about welcoming you back to the school for this fantastic event which is a key part of Careers Curriculum for our students.

“The power for creating a better future is contained in the present moment: You create a good future by creating a good present.” – Eckhart Tolle

FULLBROOK 6 EXTENSION - UPDATE

This week has seen a real flurry of activity on the Fullbrook 6 extension site. After the concrete base was poured at the end of February, we were eagerly awaiting the next big moment in the project, and we can now reveal, following a huge delivery of steel RSJs, that the frame is already half constructed!

The construction of the extension frame really helps to give some scale to the project and how much extra space we'll be gaining.

MENTAL HEALTH TALK – BOOKING DETAILS

We now have the link for the parent and carer session being hosted by Learning Partners. Professor Tanya Byron will speak about Mental Health and Young People which has become an even greater topic of discussion following the last 2 years of the pandemic. The event will take place on **Thursday 28 April** from **6:30-8:00pm** at George Abbot School in Guildford.

Please see the flyer on **page 4** for more details and click the image to be taken to the booking portal.

FULLBROOK 6 FUNDTASIA WEEK

Next week our brilliant Student Leadership Team in Fullbrook 6 will be hosting a week of fundraising amongst the Year 12 and 13 students. We can expect to see some brilliantly creative outfits that fit the themes they've assigned to each day including, hats, current /future career outfit, and the very inventive 'anything BUT a bag' where students will have to find creative ways to transport their books and equipment around school! We can't wait to share some of the photos with you.

SURREY COUNTY COUNCIL SCHOOL TRAVEL SURVEY

Our school are assisting Surrey County Council's Safer Travel Team to undertake research with parents on pupils' types of travel to and from school. This follows the huge success that the previous survey had, with over 7,000 parents and guardians completing the survey.

The objective of the research is to develop a better understanding of the different types of travel, how frequently they're used, why that type is used.

Once the Safer Travel Team have collected and analysed this information provided by parents, their goal is to obtain a better understanding of journeys to school, so they can continue encouraging safer and more active travel to school for all children in Surrey.

Please could I ask that you review and complete the [survey](#) using the link. The deadline for completion of the survey is **11.59pm on 1st April 2022** and the survey should be completed for each child that attends our school.

If you have another child who attends a separate primary school the link for this can be found [here](#).

Thank you for continuing to support our school to improve pupils' journeys to school.
