SUMMER TERM UNIFORM CHECKS

After Easter, we will be having another uniform drive to ensure that students are adhering to the school policy. We will be reminding students of the expectations around the appearance and the uniform policy along with stressing the importance of why wearing our uniform with pride matters both in terms of students being ready to learn and also in terms of maintaining the school's excellent reputation. Should you need a reminder of the expectations and how any infringements will be handled please click [here](#).

When we return from the Easter break, the summer uniform will be in effect. You can access the [uniform list](#) on the website.

FULLBROOK CAREERS FAIR IS A HUGE HIT!

On Tuesday, the Fullbrook Sports Centre was a hive of activity as our Careers Fair returned to the school. Over 50 exhibitors joined us, including a wide variety of professions, colleges/universities, and training providers, which helped make the evening a huge hit with students and their parents/carers. The feedback we've received from those who attended has also been hugely positive.

We would like to take the time to say a huge thank you to Jo Tennant and Kate Trumble from the Parent Voice for their tireless work to bring this event back to the school once again. The time and effort they put in to ensuring that the exhibitors offered broad range of career paths to students meant that there was someone for every student who attended to talk to.

For anyone who was unable to attend, there is lots of information available on the [Careers Hub](#) section of the Fullbrook website, including the exhibitor brochure from Tuesday evening, which can be found on the [Careers Fair](#) page.

THE ART FACULTY NEEDS YOUR HELP!

Our Art Faculty are looking for donations of leftover cans of spray paint which you might have lying around at home. Any colours would be gratefully received. Please note that donations would need to be dropped off to the main school reception by parents and carers. For safety reasons, we ask that you do not send them in to school with students.

ECO TEAM – CASH FOR KIDS CLOTHING RECYCLING

Our Eco Team will be collecting clothing items for Cash for Kids, which is a grant-giving charity that works with Textile Recycling International to raise funds for disadvantaged children. We will be organising a clothing recycling drive soon, and we will provide you with more details as once we have them. In the meantime, please see the list on **page 4** for details of what can and cannot be donated, so that you can set them aside until we have our collection date.

UKMT KANGAROO CHALLENGES

A group of students from Years 9, 10 and 11 took part in the latest round of the UKMT Kangaroo Challenges last week to test their numeracy skills. These are national Maths challenges and only the **top 6-10% of all students nationwide** get invited to take part in this prestigious event. We had the greatest number of certificates and Kangaroo Qualifiers in the last 8 years, and other records have been broken! We hope to be able to share news of how our students got on very soon, but in the meantime, well done to all involved for their progress in the competition so far.

If you haven't already provided consent, then please do complete the e-form at: www.surreyimmunisations.co.uk (our school's unique code/URN number is **SRI37003** which you will need to enter) by **4pm on Tuesday 12th April 2022**.

SURREY COUNTY COUNCIL TRAVEL SURVEY - REMINDER

Don't forget that the [Surrey County Council School Travel Survey](#) closes at **11:59pm on Friday 1 April 2022**, and separate surveys should be completed for each child that attends Fullbrook.

Once the Safer Travel Team have collected and analysed this information provided by parents, their goal is to obtain a better understanding of journeys to school, so they can continue encouraging safer and more active travel to school for all children in Surrey.
