Week Commencing: Monday 28 February 2022

## FULLBROOK CAREERS FAIR – BOOKING UPDATE

From Monday 7 March, booking will also be open to students from Years 7 and 8 who wish to attend the Fullbrook Careers Fair.

Please remember that you only need to book a ticket for any Fullbrook students who wish to attend. You do not need to book tickets for parents/carers.

We are in the process of reaching out to anyone who has inadvertently booked a ticket for an adult, but if you are able to check your booking and either amend or cancel it and rebook correctly we would appreciate it.

Tickets are available to book via our [Eventbrite](#) page.

## DANGEROUS DRIVING & PARKING

We are receiving an increasing number of complaints from members of the public about the lack of courtesy being shown towards others by parents and carers driving their children to school and parking during drop off/pick up times. Some of the issues we've had reported include;

- Cars driving down the wrong side of Scotland Bridge Road when traffic is queuing for the bridge, just so that they can turn into Selsdon Road quickly rather than waiting
- Cars not leaving a safe distance between other vehicles to allow pedestrians to cross the road safely
- Vehicles parked on double yellow lines and zig zags to wait for students
- Blocking resident access to their properties by parking across driveways
- Parking on bends or across junctions

Next week we will be reaching out to Surrey Police and Runnymede Borough Council to request support with this ongoing issue, but we also ask that you please show care and consideration when making a car journey to or from the Fullbrook site.

## YEAR 9 FINAL SCHOOL BOOSTERS

The Children and Family Health Surrey team will visit Fullbrook on **Tuesday 19<sup>th</sup> April 2022 and Wednesday 20<sup>th</sup> April 2022** to administer the Year 9 Diphtheria/Tetanus/Polio final school booster and the Meningococcal ACWY vaccination. Please see the letter on pages 5-6 for full details, and the links needed to provide consent.

**Please note that this letter is for parents/carers with children in Year 9 only.**

## **CONTACT US**

Please do not hesitate to contact us via:

## **HOMework CLUB**

To book your child a space at Homework

Club, please click [here](#).

## **SOCIAL MEDIA**

Click the symbols below to view the Fullbrook Facebook & Twitter pages or the Fullbrook 6 Instagram account.

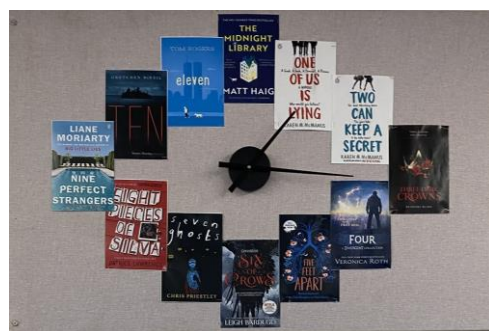

## **NOTICE ON CURRENT POLICY ON COVID-19 ISOLATION**

Following the changes to Government guidance at the end of February, our current policy is that students who have had a positive covid test result should isolate for 5 days. Please do an LFD test in the morning of Day 5 and again 24 hours later in the morning of Day 6. If both tests are negative your child can then return to school the same day. Government guidance will change again later in March. We will update you on these changes at that time.

## **WORLD BOOK DAY READING COMPETITION**

Yesterday we celebrated the 25<sup>th</sup> anniversary of World Book Day in school, with Fullbrook staff sharing their favourite books, or current reads around the corridors.

As part of our continued Reading for Pleasure programme, the LRC is running a competition based around the new clock they have created in the library. Students are being challenged to read as many books around the clock (see image) as they can by the end of the Easter holidays

### **Competition Rules:**

- Prizes will be awarded to the student in each year group for the highest number of books read
- Students must write one book review of the book that you enjoyed the most
- Parents/carers need to confirm the student has read the book

## **A FOND FAREWELL**

On Monday 28 February we said goodbye to Pam Walker who has led our catering team at the school for many years. While we are going to miss her very much, we are thankful for the fantastic service she has delivered to the students and staff at Fullbrook, not to mention her amazing cakes! We wish Pam a very enjoyable and relaxing retirement.

## **MINI WHITEBOARD COLLECTION - REMINDER**

Please remember to make sure your child has returned their whiteboard pack to their tutor so that we can redistribute these resources into as a permanent part of our classroom materials.

## YEAR 8 & 9 GIRLS FOOTBALL SUCCESS

At the end of last week our Year 8 & 9 girls football team travelled to Chertsey High for a District League match. The first half finished with our side 1-0 up, and the team's lead continued in the second half with a dominating performance that saw the girls sink another 7 goals to finish the match with an 8-0 victory.

1-0 at half-time followed by an epic 7 goals in the 2<sup>nd</sup> half to make it 8-0 at full-time. Goals came from Ellie F (2), Hope P-C (3), Naomi A (1), Megan H (1), and Amelia F (1). Player of the match, nominated by the opposition, was Hope P-C for scoring a hat trick, even though she was playing in defence!

Well done to the team for such a fantastic result.

DATES FOR YOUR DIARY	
w/c Monday 7 March	Year 11 Core Mocks (week 2)
Monday 14 March	F6 Curriculum Evening for Year 11 (details to follow)

Dear Parent/Carer

**Re: Year 9 Diphtheria/Tetanus/Polio final school booster and the Meningococcal ACWY vaccination e-consent.**

We continue to use e-consent for the school-based immunisation programme and this can be completed on any platform i.e. mobile phone, tablet or computer. However, in the event that this is not possible please contact the Immunisation team.

**Diphtheria/Tetanus/Polio (3-in-1 teenage booster)** is a final school booster protecting against diphtheria, tetanus and polio. This vaccination will complete the baby injections given pre-school.

**Meningococcal ACWY** protects against the four strains of meningitis known as ACWY. These diseases are known to affect older adolescents, especially if they go to university or training where they are living in accommodation with other young people.

For more information about immunisations, visit [www.nhs.uk/conditions/vaccinations](http://www.nhs.uk/conditions/vaccinations)

Your child is due to receive the final school booster and Meningococcal ACWY vaccinations on **Tuesday 19<sup>th</sup> April 2022 or Wednesday 20<sup>th</sup> April 2022.**

Please complete an e-consent form for the vaccination (s) you would like your child to receive. If you do not want your child to receive a vaccine then please fill in the 'NO' box.

**Complete the e-consent form at: [www.surreyimmunisations.co.uk](http://www.surreyimmunisations.co.uk)** (your school's unique code/URN number is **SR137003** which you will need to enter)

Please complete the e-consent form by **4pm on Tuesday 12<sup>th</sup> April 2022** (when the website portal will close). This allows time for our nurses to review and contact parents and carers if there are any concerns prior to the session.

An automated email will be sent to you on completion of the consent form from Cinnamon Digital Applications (who host the website portal for us). If you do not receive this please check in your junk email or contact the Immunisation Team.

Parents and carers who have not submitted their consent form by the deadline and wish their child to be immunised will need to call the Immunisation team.

You can read our Privacy Policy at [www.childrenshealthsurrey.nhs.uk/about-us/privacy-policy](http://www.childrenshealthsurrey.nhs.uk/about-us/privacy-policy)

## CFHS (2) APRIL 2020

### Measles, Mumps, Rubella (MMR) Information

By now your child should have had two doses of MMR to fully protect them from the diseases of MMR. If your child has NOT had two doses of MMR, and you would like them to be protected, please complete the MMR consent form.

Information about MMR and answers to some common questions can be found at:

<https://www.gov.uk/government/publications/measles-dont-let-your-child-catch-it-flyer-for-schools>

If you would like any further information about the school-based vaccination programme, please contact the Immunisation team on the telephone number above or visit [www.childrenshealthsurrey.nhs.uk](http://www.childrenshealthsurrey.nhs.uk) where you will find additional information about immunisations, school session dates and catch-up clinics.

Yours faithfully

Clinical Service Manager

Surrey Immunisation Team

### GDPR

On the 25 May 2018 the new EU General Data Protection Regulation (GDPR) came into force bringing with it improvements to Data Protection Regulations. GDPR was enacted into UK Law by the UK Data Protection Act 2018. Under the GDPR organisations have a statutory responsibility to have a Legal Basis when gathering and processing certain data. More details on this and how your information rights are upheld are provided in our Privacy Notice, which can be viewed on our website at [www.childrenshealthsurrey.nhs.uk/aboutus/privacy-policy](http://www.childrenshealthsurrey.nhs.uk/aboutus/privacy-policy)

While we will continue to seek your explicit consent for the treatment of your child/children, your information will be processed under the following GDPR articles:

Article 6 (1) (e)

For the performance of a task carried out in the public interest or in the exercise of official authority.

Article 9(2)(h)

Necessary for the reasons of preventative or occupational medicine, for assessing the working capacity of the employee, medical diagnosis, the provision of health or social care or treatment or management of health or social care systems and services on the basis of Union or Member State law or a contract with a health professional.
