Work Experience at Chertsey Museum

25th – 29th July 2022

If you have ever wondered about a future career in heritage, history or just like the idea of working in a fun and interesting role then we have an opportunity for you to spend a week at Chertsey Museum. We're offering 4 places for people in years 9-13 (ages 13-18) to gain work experience at the museum from Monday 25th to Friday 29th July. Each day will last from 9:30am to 4pm with a lunch break, and you will be working as a group with other students on the following:

- Introduction to the different roles within the Museum
- Tour of the museum and stores
- Collection care, storage, and recording
- Field trip to the Wellcome Collection, London
- Create a display at the museum **This will be the focus of the week*
- Design an interactive session based on your museum display.

Current applications close on Sunday 3rd April 2022, however further candidates may be considered on application if space becomes available.

To apply please send a letter of interest explaining why you would like to take up this placement to education@chertseymuseum.org.uk

Please note we are only able to take 4 placements for this specific week as we have limited work space (and staff time).

Unsuccessful candidates are more than welcome to apply again next year.
