## FULLBROOK 6 OPEN EVENING – BOOKING NOW OPEN!

Apologies for the error with the poster we shared last week for the Fullbrook 6 Open Evening. A correct version has now been published. The Fullbrook 6 Open Evening is on Thursday 16 June with entry at either 6pm or 7pm.

It's a great opportunity for Year 10 students to get more information about what Fullbrook 6 can offer before they have to start submitting sixth form college applications from September.

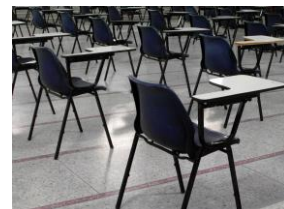

Booking is restricted to 1 student and 1 adult to help us maximise availability to students across the evening. This event is also open to students outside of Fullbrook, so we would advise booking early to avoid missing out on a space.

Please see the poster on [page 3](#) for booking details or visit our [Eventbrite](#) page.

## GCSE & A LEVEL EXAMS OFF TO A GREAT START!

Monday saw the start of this years formal GCSE & A Level examinations, and we have been impressed by how well our students are handling these assessments so far. Students have been positive about their experience and are showing a great deal of resilience with their busy exam schedule.

With the pandemic preventing the usual GCSE & A Level assessments from taking place over the last two years, we know that this is a hugely stressful time for students, and particularly our Year 13 cohort, who have not sat any formal public exams since their Year 6 SATS.

Well done to all our students for the excellent start they have made.

## UKMT JUNIOR MATHS CHALLENGE

A group of our Year 7s and 8s took part in the UKMT Junior Maths Challenge a few weeks ago and we have had some great results! We smashed our record for the number of certificates since Fullbrook start participating. Just under 70% of all students received a Bronze (top 25% of all of UK), Silver (top 17%) or Gold (top 8%). The students who achieved Gold were:

<b>Year 7</b>	Mathew G (joint highest for Year 7) Martin N (joint highest for Year 7) Aiden W
<b>Year 8</b>	Megan B Jacob B Samuel M Callum S Alex D Tom P Penelope S

Special mention to Joe H (highest score in Year 8) for qualifying to the next round of Junior Kangaroo Challenge by ranking in the top 4% of all participants in the UK.

## LRC SPOTLIGHT

This week we would like to highlight another great read from this month's reading list on [Thought provoking books](#).

Ground Zero by Alan Gratz tells the story of two characters, Brandon who was visiting his Dad's workplace in the World Trade Centre on September 11th 2001 and Reshmina who lives in Afghanistan.

Gratz alternates between the two narratives in short, nail-biting chapters that create vivid images of each setting and makes the reader feel connected in both character's relationships and choices. The uplifting message of the importance of humanity working with, not against, one another comes through brilliantly.

## WORD OF THE CYCLE

It's time for our next Word of the Cycle, which we'll be incorporating into lessons and tutor times with students. We would be grateful if you could continue to support this by using the word in conversation at home.

**Vehement (adjective):** Showing strong feeling; forceful, passionate or intense.

**Example:** *He was vehement that his idea was a good one.*

## MFL WORD OF THE CYCLE

Our next Modern Foreign Language (MFL) Word of the Cycle, which will be incorporated into MFL lessons in a similar way to our normal Word of the Cycle is below.

**English:** Passionate – e.g. *Luke always talks about sport in a passionate way.*

**French:** Passionné(e) – e.g. *Luc parle toujours de sport de manière passionnée.*

**Spanish:** Apasionado(a) – e.g. *Luca siempre habla de deporte de manera apasionada.*
