## MR DOUSSOUX RUNS FOR EIKON!

In October, our very own Mr Doussoux will be hitting the streets of the capital in October to run the London Marathon in aid of The Eikon Charity, who provide vital support to some of Fullbrook's most vulnerable students. As a member of staff, he sees first hand, the challenges that students face with their emotional wellbeing and mental health, and also the difference that Eikon's services make to those who are in need of support.

We are phenomenally proud of Mr Doussoux for his commitment to helping the charity that supports our students, and we hope you will join us in wishing him well with his training. If you live locally, you may even spot him out on one of his training runs! To learn more about Mr Doussoux's training and participation in the London Marathon, please visit his [Just Giving](#) page, where you can also donate towards fundraising if you wish.

## STUDENT LEADERSHIP

Yesterday, our student leaders, Olly and Kate had their final meeting with Mrs Moore as they are nearing the end of their time at Fullbrook and Fullbrook 6. The contribution they have made, not only to Fullbrook 6 but the whole school community with their enthusiasm and commitment to making our school a great place to be a student, is truly appreciated.

September will bring with it, new student leaders, and more students will have the opportunity to get involved in shaping our school for the future. Getting involved in things like the Student Council and steering groups like our Equalities Team help to develop skills that aren't always taught in a classroom setting and we encourage as many students to join in and have their voices heard.

## MISSING KNITTED SOLDIER FROM WEST BYFLEET!

You will have noticed the wonderful, knitted soldiers that have appeared around West Byfleet. Sadly, one was removed from opposite West Byfleet Infant School last night by a child from the local community. The lovely people of West Byfleet would very much like to see the soldier returned immediately.

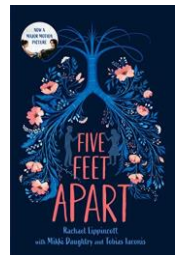

If you have any information about this please let the West Byfleet Infant School office know immediately or return it to its original post.

Many thanks on behalf of West Byfleet Infant School.

## LRC SPOTLIGHT

This week we would like to highlight another book from May's reading list on [Thought provoking books](#).

Nia F in Year 8 read *Five Feet Apart*, by Rachael Lippincott and has sent in this great book review which is on display in the LRC.

*Five feet Apart is about two children suffering with cystic fibrosis. Stella has experienced tragedy but is also very organised. However, Will is the total opposite, he is a risk taker and does not care about his treatments. It is an emotional story that will leave you at the edge of your seat wanting to read what comes next. What I loved about this book is that you can imagine what the characters feel and puts you in their shoes. What I disliked about this book is that it was quite short, and I wanted to know more backstory about Will.*

If you would like your book review displayed in the LRC then please bring it to Mrs Churcher, it is a great way to encourage other students to try out new books!

## CYCLE PERMIT REMINDER

We are seeing increasing numbers of students who are only putting their helmets on when they approach the school gates (or when leaving, they take the helmet off once they are out of sight from the school gates). This is particularly prevalent with students in the upper years (9 – 11).

We would like to remind parents and carers that students who cycle to/from school and park their bikes on site at Fullbrook must wear their cycle helmets when for the entirety of their journey as per the agreement that was signed the permit was issued. Failure to comply with this, could lead to the permit being revoked.
