Week Commencing: Monday 9 May 2022

FULLBROOK 6 OPEN EVENING – BOOKING NOW OPEN!

We will be hosting a Fullbrook 6 Open Evening on Thursday 16 June from 6pm.

Prospective students from Year 10 who will need to start making college applications when they enter Year 11 in September, are encouraged to attend so they can find out more about the courses on offer, speak to staff and also find out more about the extension to the F6 facilities which are due for completion at the end of October.

There will be two entry times available, and spaces will be limited for each, with bookings restricted to 1 student and 1 adult to help us maximise availability to students across the evening.

Please see the poster on [page 3](#) for booking details or visit our [Eventbrite](#) page.

LOTS TO CELEBRATE FOR YEAR 11

Today saw our Year 11 students celebrating the end of their formal Key Stage 4 education here at Fullbrook. Mr Smith and the Year 11 team hosted their traditional celebration assembly, sharing

highlights for the year group, along with handing out awards and recognition to students and farewell messages from the tutor team. After that it was onto the tennis courts for the second part of the festivities with a barbecue and refreshments while the year books and leavers hoodies were handed out.

Monday will mark the start of the formal written GCSE examinations, along with the A Levels for our Year 13 students, and we couldn't let this moment go by without saying how incredibly proud we are of all of them for the determination over the last few challenging years. We know that they will continue to be better than they ever thought they could be, whatever the next step in their journey might be.

“The future belongs to those who believe in the beauty of their dreams.” - Eleanor Roosevelt.

IT'S ALL GOOD HERE AT FULLBROOK

Last week saw the official publication of [Ofsted's report](#) on their website, which rated Fullbrook & Fullbrook 6 as a 'good' school following the inspection in March.

We were delighted with the feedback from the inspectors who really got to see the sense of community which we instil and would like to thank everyone from the Fullbrook family again for the continued help and support that they give to make our school a wonderful place to be part of.

CALLS TO STUDENTS DURING THE SCHOOL DAY

We have noticed an increasing number of phone calls being received by students during the school day from parents/carers. Please remember that students are not allowed to answer their phones in lesson time as this is disruptive to the class learning. Any students answering calls during lessons will be subject to PED/Code of Conduct sanctions.

Students are able to receive calls during their allocated break times as per the table below. If you need to contact your child urgently due to an emergency, please call our reception team and they will get a message to your child.

	Years 7, 8 & 11	Years 9, 10 & F6
Break	10:00-10:20am	11:00-11:20am
Lunch	12:20-1:05pm	1:20-2:1 (Years 9 & 10) 1:20-2:05pm (F6)

LRC SPOTLIGHT

The Year 7 and 8 Book club had their second session this week, we are reading the Costa Book Award Winner *The Crossing* by Manjeet Mann as part of the National Teen Book Club.

Written in short prose, it is a powerful narrative that bounces between two main voices, Natalie and Sammy. We have found that the story really brings home the realities of the refugee crisis in a moving and thought provoking way and it has already sparked some interesting conversations among the group.

We have copies of *The Crossing* available to loan from the LRC and it is on this month's reading list of [Thought Provoking Books](#).

SURREY YOUTH GAMES

Surrey Youth Games will be running once again throughout May. To find out more about their events, please see the information on **pages 4-5** of the newsletter.

YEAR 7 ART CLUB – REQUEST FOR HELP

The Art Department are running a brand new Art club with Year 7 and have had a fantastic turnout of over 30 students.

As a result, they are looking for some more tupperware to use as plaster moulds which they are are creating! Any type will be gratefully received, but they are particularly keen to get their hands on the ones you get takeaways in (rectangular, reasonably shallow). With lids would preferable but without lids are still very useful to them.

All donations should be sent in for Miss Andrews' attention.

DATES FOR YOUR DIARY	
Monday 16 May	GCSE & A Level Examinations Commence
Thursday 19 May	Year 13 Leavers Assembly
Friday 27 May	School closes for half term (students finish normal time)

Registration is open until 20 May 2022, for beginners aged 7-16yrs to access a range of FREE activities, across Surrey.

For more than two decades the Specsavers Surrey Youth Games has been giving young people their first taste of a way to stay active, build new skills and make new friends – all for free.

Organised by Active Surrey, the programme is aimed at young people who are not club members and struggle to access opportunities, due to a lack of travel options or family circumstances. Thanks to free training provided by their local council, 7-16 year olds can choose an activity and go from complete beginner to competent player in as little as six to eight weeks. Taking part helps children make friends and unearth hidden talents as they develop their skills and have the chance to attend a free celebration event at the Surrey Sports Park in June.

How kids can get involved

Activities vary by age and availability but every borough and district in Surrey is offering free training now. To take part, parents or carers just need to register their child online, which can be done via the Active Surrey website

www.activesurrey.com/SYG

Depending on age, children can get involved in street basketball, inclusive dance, judo, tennis, girls' football and GoTri (indoor row, cycle and an outside run).

Emma Das, Event Lead Officer at Active Surrey is looking forward to seeing young 'Gamers' build their confidence as they work towards the main celebration event on Saturday 18 June: "After a tough two years for young people, the Specsavers Surrey Youth Games programme is a great example of councils and communities pulling together to create something fun for those kids who don't always get the chance to be involved in physical activity and try something new."

To find out more about the Games and activities on offer, visit the Active Surrey website at www.activesurrey.com/SYG
