## FULLBROOK SUMMER CONCERT

Our summer concert returns on **Wednesday 20 July** in the main hall.

Entry to this event is free, you just need to confirm your attendance using the QR code on the poster so that we have an idea of numbers. (see page 4).

There will also be a cash bar offering refreshments on the night, and a donation bucket on the door once the concert is over.

## SPORTS DAY SUCCESS

It was wonderful to be able to bring the whole school together last week for the return of sports day! The atmosphere was electric on the sports field, Mr Baker was back with his brilliant commentating skills, and our house teams were hugely competitive, whatever event they were participating in.

By the time the final race had been run, and the scores totalled, two teams emerged victorious. The Sports Cup was awarded to Phoenix, while the overall House Cup went to Dragon.

Congratulations to both teams on such a successful result, but also well done to all the students who took part and helped make sports day such a wonderful occasion.

## NATIONAL CAREERS SERVICE – POST EXAM SUPPORT

With exams ending, many pupils will be preparing to take their next step into further academic studies or the workplace – which we know can be confusing and feel a bit daunting.

Throughout the summer, the National Careers Service is running a series of webinars for parents and carers of young people who are expecting their exam results this August.

They will be able to learn more about how to support their children with advice about choices and careers, including useful information sources, advice for results day and a Q&A with a panel of experts. The [webinars schedule](#) is now available.

## REFURBISHMENT OF C BLOCK TOILETS

As explained in a letter to parents/carers last week, the C block girls' toilets are being refurbished and converted to unisex toilets for September. All unisex toilets have individual floor to ceiling cubicals, with shared hand washing facilities. This means that, by September, Fullbrook will have two sets of girls' toilets, two sets of boys' toilets and two sets of unisex toilets as well as the boys and girls' toilets in the sports hall for use during PE lessons and the existing disabled toilet facilities. From September, students will be able to choose use any of the toilet facilities appropriate to them.

Unisex toilets are being employed everywhere from event venues and restaurants to work places and schools. In schools, unisex washrooms have been shown to cut down bullying dramatically as it removes the closed-off confined spaces where this can commonly occur. The space can be more open by design, which also prevents vandalism and other misbehaviour as the area is used by a wider number of students, and can be monitored more effectively. Unisex toilets are also more inclusive.

At Fullbrook we aim to support all our students which is why we will have a range of toilet facilities on our site. Images of the current unisex toilet facilities can be seen below. :

## PART TIME SUPPORT VACANCIES AT FULLBROOK!

We currently have part time vacancies in Learning Support and the LRC. These roles may be ideal for somebody from our Fullbrook community who is looking for hours that fit around other commitments.

Please click [here](#) to find out more about these roles and for details of how to apply.

## LRC SPOTLIGHT

This week we have launched our Summer Reading Challenge. This is a tutor group challenge and the tutor group from each year group with the highest number of books read will win prizes in September. We have suggested some great books to try out for some of the trickier genres, these can be found on the Reading For Pleasure section of the website. Tutors are being encouraged to take on the challenge too to help motivate their group to win! See **page 5** for further information.

## SPORT 4 KIDS ACTIVITY CAMPS

Please see the flyer on **page 6** for details of the summer activity camps run by Sport 4 Kids at Fullbrook. There are a limited number of free spaces for children who receive Free School Meal funding.
