Week Commencing: Monday 4 July 2022

## FULLBROOK SUMMER CONCERT

Our summer concert returns on **Wednesday 20 July** in the main hall.

Entry to this event is free, you just need to confirm your attendance using the QR code on the poster so that we have an idea of numbers. (see page 4).

There will also be a cash bar offering refreshments on the night, and a donation bucket on the door once the concert is over.

## FAREWELL TO YEAR 11

Our Year 11 students reached the end of their academic year with a flourish of celebration with their Prom on Friday 1 July. Seeing everyone dressed in their finery and ready to celebrate the end of the GCSE exams is something we always look forward to, and it was wonderful to have the normal red carpet style arrival so that members of the community could watch. Then it was the turn of their formal celebration assembly on Monday when the students and their families joined us to congratulate the year group on a job well done and award faculty prizes.

It's been wonderful to see both these traditions, which our Year 11 students and their families hold so dear, return in their normal format after the disruption of the past couple of years. Our students have worked so hard to ensure they have the best possible outcomes for their futures, and we are certain that they will thrive, whatever path they have chosen to follow. This year was particularly bittersweet for Mrs Moore as this year group joined Fullbrook the same year as she became Principal.

Congratulations Year 11 class of 2022, we are beyond proud of you, and know that you will continue to be, better than you ever thought you could be!

---

*"Everyone's dream can come true if you just stick to it and work hard." - Serena Williams.*

## YEAR 10 ENTERPRISE WORKSHOP

On Tuesday morning, the Year 10 students who aren't on work experience took part in an enterprise workshop. They spent time creating an ice cream brand and working out a marketing plan for their product. It was great to see all the creativity going on in the room, whilst learning some useful skills that will help them in the world of work.

## INSPIRED TO ACHIEVE FAIR 2022

Last week, our Year 12 Inspired To Achieve participants presented their research projects to staff, students and parents/carers at the Inspired to Achieve fair.

It was a wonderful evening, where a broad range of fascinating subjects were covered, from How Do People With Power Exploit Vulnerability And Get Away With It? to What are the Effects of Biogas on the UK's Economy and Environment? and Why Are Superheroes So Influential In Young People's Lives?

The Inspired to Achieve programme will be running again in September 2022 when we look forward to receiving applications from our new cohort of Year 12 students who wish to take part.

We will shortly be uploading all of the research projects to the [Inspired to Achieve](#) page on the Fullbrook 6 website for everyone to read.

## STUDENT SUCCESS

Huge congratulations to Hamish W from Year 12 who took part in the National Judo Championships in Walsall last weekend. He came away with a bronze medal in the team event. What a fantastic achievement!

## PART TIME SUPPORT VACANCIES AT FULLBROOK!

We currently have part time vacancies in Learning Support and the LRC. These roles may be ideal for somebody from our Fullbrook community who is looking for hours that fit around other commitments.

Please click [here](#) to find out more about these roles and for details of how to apply.

## FULLBROOK 6 EXTENSION UPDATE

Last week, Mr Clouston viewed the progress of the Fullbrook 6 extension, and was able to take some photos. The walls are now up, and the roof is on, so work on the partitions to shape the internal space has now commenced.

The first fix electrical and plumbing work is also due to start along with the plaster work which will really make the space start to feel like we're in the final phase of the project. We are hugely excited by how quickly this is all coming together, and can't wait to see how things look by the end of the summer break.

## WORD OF THE CYCLE

It's time for our final Word of the Cycle, which we'll be incorporating into lessons and tutor times with students. We would be grateful if you could continue to support this by using the word in conversation at home.

**Culmination (noun):** the highest or climactic point of something, especially as attained after a long time.

**Example:** *The end of the year assessments, were a **culmination** of all the hard work done by the students over the course of the academic year.*

## LRC SPOTLIGHT

**July Reading List:** This month's reading list contains books that can all be read as part of the Summer Reading Challenge which we shared details of last week. The list can be found on the [Reading For Pleasure](#) section of the Fullbrook website. We have also kept details of the reading challenge on this newsletter for your reference (see page 5).

**Book Recommendation:** This week we would like to make a recommendation for a book written in verse, which could be read as part of the Summer Reading Challenge. *One* by Sarah Crossan tells the story of Grace and Tippi who are conjoined twins, they do not like being stared or sneered at, but they are used to it. They want to be looked at in turn, like they truly are two people. They want real friends and love. A heart-wrenching decision lies ahead for the twins, one that could change their lives more than they ever asked for. This moving and beautifully crafted novel about identity, sisterhood and love ultimately asks one question: what does it mean to want and have a soulmate?

### DATES FOR YOUR DIARY

Monday 11 July	INSET day (school closed to students)
Monday 18 July	Early closure for students (students leave site at 2:15pm)
Thursday 21 July	End of summer term (early finish for students)
Friday 22 July	INSET day (in lieu of Platinum Jubilee Bank Holiday)
